

How to get your child's report card off of Focus

- Log in to your Focus account, <https://martin.focusschoolsoftware.com/focus/Modules.php?modname=misc/Portal.php> if you don't have one you can create one or have your child log into their focus account.
- Once logged in if you have more than one child select the correct child
- Then make sure you have the correct school year selected and **Quarter 4**
- Finally you will see where you can select to download your child's school report card

*Here is the correct look for 5th grade and below - For elementary report cards we need **ALL** pages.

*The correct look for report cards 6th grade and up look like this...
