6. The parents name **MUST** match what is listed on the birth certificate. 7. If you do not receive hard copies of bills, please make sure you can obtain “pdf” copies (preferably in color) and make sure that they look like actual “bills” and that your full name and address match the player’s name and address (otherwise, see #6 above). The **statement date** must also be **after 2/1/2020 and before 2/1/2021**.

Being selected as an All Star is a privilege and it is the parent/guardian’s responsibility to make sure their child has the correct paperwork or they may not be eligible to play.

It is highly recommended that a 3-ring binder be created for each team and to utilize a sheet protector for each player. All the information for each player will stay together. Please also add 3-4 additional sheet protectors to be used for the team’s affidavit, league boundary map, and any waivers or interleague/combined forms.

Make sure your documentation meets the criteria listed above. If you think something is questionable, it probably won’t qualify. PLEASE, DO NOT HAND IN A STACK OF DOCUMENTS AND EXPECT US TO SORT IT

COPIES of Birth Certificates, Proofs of Residency and any Waivers and/or School Enrollment Forms: Required Copies MUST be presented to the district when the team is in the process of being verified/approved by CA District 24. ALL copies are to be made in advance of the team verification appointment with the District.

FREQUENTLY ASKED QUESTIONS

Do I need to provide “original” birth certificate and “original” bills, or can it be copies?

Yes, it needs to be original birth certificate and original paperwork, NO COPIES. Once the birth certificate and paperwork has been reviewed by District 24 and verified it will be returned. In the past original documents have been returned by the first District 24 game.

Can I bring in a gas bill, phone bill and electric bill for my three documents?

No. Each of those items qualify under the utility bill category in GROUP 3. You can only supply 1 item per GROUP. I’ve listed the most common items to supply for proof of residency from separate groups. If needed I can provide you with the complete list of groups.

What if it’s dated February 2, 2019, or January 31, 2020?

Those items do not qualify. It is important to make sure and double/triple check the dates. Items used for residency verification must be dated between February 1, 2020 and February 1, 2021.

We recommend that you focus on items dated March 2018 - December 2018.

My bill has the coverage date as 1/23/18 to 2/20/18, can that be used?

The key date to look for is the issue date or the services rendered date. So long as the date is after February 1, 2020 and before February 1, 2021, it will work.

I’m concerned about my privacy and don’t want to have my information seen by everyone, can I blackout portions?

It is more than understandable that everyone needs to protect their personal information. All documents are only handled and viewed by the Team Parent, All Star Coordinator and District 24. Once documents are reviewed, originals are returned. At the end of the tournament you can request your copies be returned to you from the Team Parent. Any copies not picked up by parents are returned to the All-Star Coordinator who shreds all copies. In order for your child to participate in tournament play documents need to be provided to verify eligibility.
