

Lakeside Pop Warner

Football and Cheer

Lakeside Pop Warner is a family oriented, community- based volunteer run youth cheer and football organization. By sponsoring Lakeside Pop Warner, you are helping us fulfill our mission of seeking to develop well-rounded young girls and boys ages 5 to 15, who learn not only the fundamentals of football, cheerleading, and dance but also the importance of education in an atmosphere conducive to developing sound character all while having a good time!

We have an exciting year planned and we are asking for donations to help offset our general expenses. To keep the association progressing each season requires a significant budget that cannot be met by registration costs alone, and although much of this budget is derived from registration costs, we try to keep the registration down in order to allow more kids to participate. We depend on businesses as well as individuals in the community to support our association in order for us to continue to not only compete but also represent the Lakeside Community. Our expenses for the 2018 season consists of team registration, league fees for each team, insurance, team apparel, travel to and from tournaments, food and condiments for fundraising events, as well as some new equipment for the team's progression.

Our goal is to acquire sufficient funds from sponsors to strengthen the foundation of our association and to ensure the future success of the program. Given that we are a non-profit organization, your donation is tax-deductible and serves as an excellent way to give back to your community. We graciously accept any assistance you can offer, and we thank you in advance for your support for our association. Donors will be presented with an advertisement on our web page, our Facebook page, on our team T-shirts and will be announced at all of our home games. A Tax ID number is available upon request. Thank you for your consideration.

Thank you for any consideration,

Chelsey Lentz

Lakeside Pop Warner President
