

Clemson Anderson Soccer Alliance

Scholarship Application

To apply for a scholarship, a parent/applicant must complete this application and attach a copy of their required 2017 1040 Tax Form. The child/player must be listed as a dependent on the 1040 Tax Form. All applications must include the Tax Form to be considered for scholarship. If you are not required to file taxes you must submit you and your spouse's last 2 paycheck stubs for wages within the last 60 days.

All Scholarship Applications need to be submitted after paying the team commitment payment. **The Scholarship Application must be submitted prior to July 1, 2017** . All applications submitted after this date will be reviewed on a rolling basis until all available funds are exhausted. All applications are to be reviewed by the CASA scholarship committee and the parent /applicant will be notified prior to July 1, 2017 .

If awarded a need based scholarship, the award precludes your family from receiving a multi player discount. Any award will be applied through CASA's online registration software. Your family remains responsible for your family's share of tournament costs incurred by your team. CASA asks, in return, for your child's commitment to the club and team, by diligently ensuring a high level of attendance at practice and games.

In addition, the club will request your family's assistance with club activities throughout the year. Typical assistance includes helping, as directed, at the team camp, soccer tournament, silent auction, tryouts, or other functions that require volunteers. (In some circumstances, high school aged players can complete their own service hours, but it cannot conflict with their training schedule or scheduled matches.) **If these hours are not completed CASA reserves the right to revoke the scholarship and require that all fees be paid in full.**

Understand that our club has a fixed budget for needa based scholarship and that scholarship requests normally exceed our budget.
