Policy: Coaching Stipend at Tournaments
Initial Adoption: December 19, 2007
Revision: 2
Revision Date: June 18, 2018

As passed by the CASA board of directors, the following procedure will be used for determining minimum stipends for a coach's expenses at tournaments beginning immediately. Individual teams may provide a higher stipend than what is required by this policy.

Minimum Coaching Stipend at Tournaments

Tournament Category	Description	Coach Tournament Stipend
Club-sponsored tournaments	Any typical two-day tournament sponsored by CASA	\$50/tournament
Commuter tournaments	Typical two-day tournament located in the Upstate of SC, e.g. Greenville / Spartanburg area	\$100/tournament
Out-of-town tournaments	Typical two-day tournament located in SC but outside of the Upstate and cities such as Atlanta and Charlotte that also involve an overnight stay	\$200/tournament + hotel ^a
Other tournaments	Tournaments not easily classified into any of the above categories	case-by-case basis ^b

^{a.} In addition to the stipend, teams are required to pay the coach's hotel room for nights stayed overnight (including applicable tax). Where feasible, coaches are asked to stay at an occupancy of two coaches per room.

^{b.} Team manager and coach should agree upon an equitable stipend prior to committing to a tournament. If an agreement cannot be reached, the DOC, Team Manager Coordinator, and President will adjudicate a stipend.

Implementation Notes:

- 1) Using the money collected from the team parents, the tournament manager/team manager will directly pay for the coach's hotel room.
- 2) Coaching stipend will be delivered to the coach prior to the first tournament match.
- 3) If a team has an assistant coach the above stipend is also provided at the half the rate. i.g. head coach \$200 and assistant coach \$100 for a total of \$300 for the tournament.
- 4) If a team has an assistant coach the team is only required to pay for one hotel room. Coaches are required to split a hotel room.
