

## Southern Soccer Academy Financial Aid Information

Affiliated with the Georgia Youth Soccer Association

SSA has developed a program that provides financial aid to qualifying youth athletes in order to play soccer so that no child is denied an opportunity to play due to financial hardships. This program maintains confidentiality while assisting players with registration fees and often even some coaching fees. It does not cover the cost of uniforms, travel expenses and tournament fees.

The committee will review all applications for assistance and make recommendations on awards. Request for financial aid will be based on a first come, first served basis. Funds available are limited each year. **Families receiving financial aid are required to volunteer additional hours for the Southern Soccer Academy.** Any family member of the player may work the required volunteer hours and the players account will be credited. In the event that the committee finds that the required volunteer hours have not been met, financial assistance may be reduced and the player may forfeit any future assistance eligibility.

Financial aid information is for the sole purpose of the SSA. Financial Aid Committee to determine eligibility and will not be shared with anyone other than the committee. Please submit the following documents to SSA to be considered for financial aid:

- 1) Completed financial aid application.
- 2) Copy of all last year's W-2 income tax forms and a copy of the first two pages of last year's 1040 income tax return.
- 3) Copies of last two employment pay stubs.
- 4) Completed Southern Soccer Academy volunteer form.

Please do not hesitate to contact us if you have any questions.
