

## Virtual ID Cards

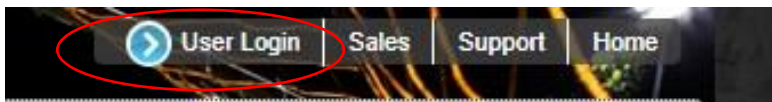

### Uploading Player Photos

Beginning Spring 2020, BYSA will allow the use of GotSoccer Virtual ID Cards. A valid portrait (passport style) photo MUST be uploaded for each player.

Below is a step by step process on how to access your team's account and add player photos. You will need to upload a .jpg or .gif file 500KB to 1MB file size. Below are the steps to upload your images.

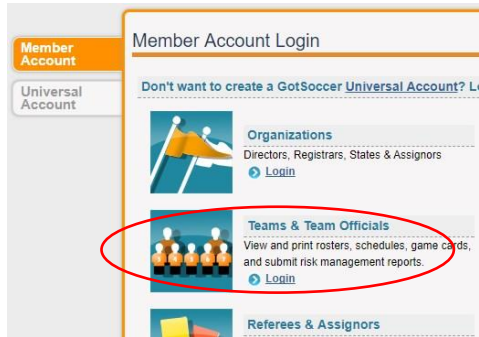

#### Step 1

Go to [gotsoccer.com](https://gotsoccer.com) and click on "User Login" at the right top corner of the page.

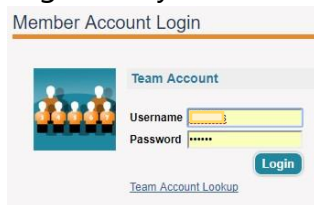

## Step 2

Select Teams & Team Official's option.

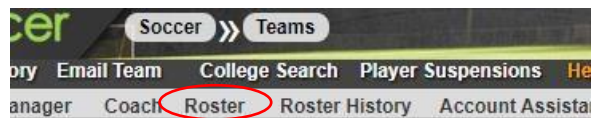

## Step 3

Login into your Team's account.

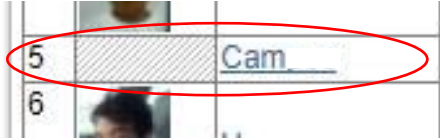

## Step 4

Click on the ROSTER tab.

### Step 5

Select the player profile you will be adding a photo to by clicking on the player's name.

### Step 6

Click on the UPLOAD button.

### Step 7

Click on "CHOOSE FILE" to select the picture from your computer to upload.
