

Virtual Player Cards

Policy

Beginning Spring 2020, BYSA will allow the use of Virtual ID Cards. Cards may be accessed through any mobile device using the team's GotSoccer account. All cards must have a valid player photo to be accepted by game officials during pre-game check-in.

Failure to show entire team's cards due to a network/app error will result in a forfeit. Coaches are required to carry printed cards as a backup. Pictures need to be uploaded prior to the season start. BYSA Registrar will set upload deadline at the beginning of each season.

NOTE: This policy **EXCLUDES** the use of Virtual KidSafe, Adult Participation, and Background Check ID's for coaches.
