

**STATE COLLEGE LITTLE LEAGUE (SCLL)**  
**COVID-19 SAFETY GUIDELINES FOR PARENTS AND SPECTATORS**

**First and foremost, we recommend all parents and spectators follow [U.S. Centers for Disease Control and Prevention \(CDC\)](#), [World Health Organization \(WHO\)](#), [The Aspen Institute](#), and [Little League International](#) guidelines when attending SCLL events.**

**In addition, to aid in ensuring the safety of SCLL players and their families, we recommend all parents and spectators adhere to the following guidelines.**

**ATTENDANCE AT SCLL EVENTS**

- Anyone who tests positive for COVID-19 or experiences symptoms associated with COVID-19 may not attend a SCLL event until cleared by a medical professional.
- Anyone who has been exposed to someone who has tested positive for COVID-19 or experienced related symptoms may not attend a SCLL event until cleared by a medical professional.
- When a player or member of his or her household tests positive for COVID-19, experiences symptoms associated with COVID-19, or has been exposed to someone who has tested positive for COVID-19 or experienced related symptoms, a parent of that player must immediately notify his or her coach immediately.
- It is recommended that spectators be limited to players' household members.
- It is recommended that players travel to and from the field with only household members.
- At least one parent/guardian/caretaker of each player must remain at the field during every practice and game to ensure that his or her child is following the safety requirements. If your child is not following the safety guidelines, you may be asked to remove you child from the field of play.
- Concessions shall be closed.
- If waiting to use the restroom, you should stand, at least, six feet from individuals not residing within your household.

**PRIOR TO TRAVELING TO THE PARK**

- Wash your hands with soap and water for, at least, 20 seconds.
- Bring hand sanitizer and a face covering for personal use.
- Take your temperature to ensure that no fever is present.

- Any individual at risk for severe illness or with a serious underlying medical or respiratory condition should only attend SCLL activities with permission from a medical professional.
- Do not arrive at the park more than 15 minutes before your practice time or game time.
- Bring your own seating, blanket, or portable chairs.
- Player's equipment (e.g. bags, helmets, bats, gloves, etc.) should be cleaned and disinfected after each use by a parent/guardian/caretaker.

### **UPON ARRIVAL AT THE PARK**

- Remain in your car until the player may access the field.
- Refrain from bringing pets to the park.
- Refrain from spitting and chewing sunflower seeds or gum.
- Do not retrieve foul balls. All foul balls landing outside the field of play should be retrieved by participating players or coaches.
- Refrain from congregating in the parking lot or common areas at the park before or after games or practices.
- During inclement weather, when play is halted, you must wait in your vehicle until play resumes.
- Public water fountains should not be used.
- Parents/guardians/caretakers may not enter the field of play or dugout.
- Practice social distancing of, at least, six feet from individuals not residing within your household.
  - While social distancing, it is recommended that you cover your mouth and nose with a cloth face covering, except for children under age two.
    - When not wearing a mask, cover your mouth and nose with the inside of your elbow when coughing or sneezing.
  - When social distancing cannot be achieved, cover your mouth and nose with a cloth face covering, except for children under age two.
- After a practice or game, parents/guardians/caretakers should leave the park quickly with their child so that other players may access the area.

The State College Little League Board of Directors reserves the right to modify these guidelines.
