Tax Id: 81-1634675

**Who we are.** SYSA is a not-for profit soccer club (501(c)(3)) established March of 2016 in Florence to serve the Siuslaw region. Our focus is to sustain a thriving soccer club in Florence and surrounding communities. We have joined forces with the OYSA (Oregon Youth Soccer Association) so that we can be part of a larger soccer community.

**Why Soccer?** We love all types of sports. Many of our own children are in different sports and other local community activities. We support soccer because kids think it is fun, it promotes physical activity, AND it is a sport that easily accommodates any skill level, size, and gender.

**Our Goal.** It is our goal is to have soccer available to players 5-14, to compete against other coastal clubs, to bring tournaments to our wonderful coastal town, and as a feeder program for the newly formed Siuslaw High School Soccer team. The city of Florence is in support of Siuslaw Youth Soccer, purchased goals to be placed at Miller Park. We have a big list of needs but with a little help we will continue to provide another wonderful activity to our local children.
