

SAINT JOHN'S MIDDLE SCHOOL ATHLETIC ASSOCIATION

450-106 STATE ROAD 13 NORTH SAINT JOHN'S, FL 32259

5/22/2020

SJMSAA Members

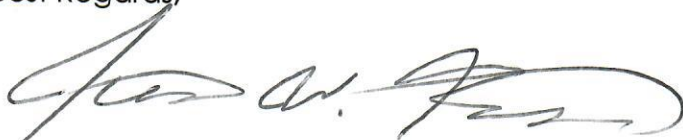

To whom it may concern,

At the heart of everything we do at SJMSAA lies one common goal, to provide sports to our middle school athletes of St. Johns County. So it gives me great pleasure to announce that in conjunction with State, and local Government guidelines, we are reopening our association and allowing our commissioners to begin submitting field lease requests for a return to play of no earlier than May 26th 2020, provided that sport has gained the necessary County field permits, or other local permitting requirement for your field of play. This proclamation is for all SJMSAA sports listed below.

- Baseball
- Cheerleading
- Football
- Golf
- Softball
- Tennis
- Soccer

We hope this finds all of our members, vendors, support staff, families, and friends safe, healthy, and excited to get back to youth sports activities. If you have questions regarding individual sports, please reach out to the sports commissioner, their contact information is available at www.sjmsaa.com

Best Regards,

Justin Palesotti
Executive Board President
Saint John's Middle School Athletic Association
