## Minors Process

Collect required documentation to prove that the player meets the 'parents' exception:

- a. **Player's Passport**
- b. **Player's Birth Certificate**
  - \* Must be in one of the four FIFA languages: English, French, German or Spanish
  - \* If not, please submit a copy of the original birth certificate, along with a certified translation in one of the four FIFA languages.
- c. **Player's Parents' Passports - Both parents**
- d. **Player's Parents' Work Visas - Both parents**
- e. **Player's Parents' Proof of Residence (Lease or Mortgage agreement)**
  - \* Must include the following information: name(s) of occupants, residence start date, and address.
- f. **Player's Parents' Proof of Employment (Employment Verification Letter that confirms the employment start date, the nature of the work performed, and the term of the employment (ongoing or contracted) or an offer letter that is signed and verified by the employer, pay stubs are not accepted)**
  - \* Employment verification is needed for both parents. If one of the parents does not work, please send a signed statement from the unemployed parent explaining why he or she is not employed.
- g. **Completed ITC Request or First Registration form**
  - \* If player has been previously registered outside of U.S., use ITC Request Form
  - \* If player has never been registered to any club, use First Registration Form
- h. **Statement from club indicating first contact with the player.**
  - \* Information about how the first contact was made needs to be included (via tryouts, parent email to club, friend of current player at club, etc.)
- i. **Statement from the player's parents regarding the reasons and circumstances behind their move to the United States.**
  - \* This is just a simple letter typed up and signed by the player's parents.

Once documentation has been collected, scan into one file for each player.
