

Winter Inclement Weather Policy

Unless the UMD Campus is CLOSED due to inclement weather, the Fieldhouse will be open and practice will be held. Campus closings will be listed on the home page of the University's website:
www.umd.umich.edu

With that in mind, we understand that sometimes winter weather and young drivers don't mix well.

It is totally the parent's decision, whether or not the roads are clear enough to make going to practice a good idea. It will not be held against any player who's parents decide that the trip is not warranted.

Please send us an email (mike@victorsvbc.net) anytime a player is going to miss, so we can forward it to the coaches.

Thanks,

The Victors VBC
