

Sanger Youth Football

The Tradition Begins Here

To Whom It May Concern:

We are excited to announce another upcoming year of Sanger Youth Football (SYF). Since we are a Non-profit organization, we can only operate with the help of our local community. Our program's mission is to teach the fundamentals of football, foster a competitive and disciplined atmosphere, and promote sportsmanship and academic success through devoted coaching and mentoring. Ultimately our main objective as an organization is to build confidence within our youth to become confident, successful adults.

Together we can provide the youth with a positive community experience in their earliest and most important years.

Sanger Youth Football has received a tremendous amount of support from the community, parents, and local businesses, and we are hoping to continue that ongoing support. We are asking for your help in continuing to provide a quality football program to the children of Sanger. Our goal is to raise enough money to ensure every child is protected with the safest equipment each year, have adequate practice and playing facilities, and are given the best opportunity to succeed. Any donations, whether they be monetary or goods/services, are greatly appreciated and are tax deductible. No matter how big or small the contribution, your donation will not go unnoticed as we strive to recognize our sponsors on a frequent basis. Please review the attached Sponsorship Packages form for further directions on how to and the benefits of donating towards our program. We look forward to you becoming a contributing member to our football family, and thank you in advance for your generosity.

Best,

Sanger Youth Football
