

SANGER YOUTH FOOTBALL PARENT PLEDGE CONTRACT

- I will never embarrass my child or the SYF program by verbally abusing/insulting players, coaches, other parents, or Officials. I understand and agree that spectator stands/areas are not the place to shout personal instructions, philosophies, overly and abusively criticizing team decisions to players, coaches, fans or officials and will therefore refrain from such action at all times when representing the team or the league.
- At no time will I enter any practice or game field. I understand they are reserved for coaches and players only.
- I also understand this is a highly competitive team/league and that players and playing time will be determined by the coaching staff for the final roster. Players are not guaranteed any amount of playing time per game.
- If something occurs to which I disagree, I will calmly seek an appropriate solution, at an appropriate time, from the President of SYF after a 48hr cool down period. I understand that instigating or participating in a confrontation in front of any child(ren) will not be tolerated and is grounds for immediate dismissal to myself and any and all who represent my child(ren) from SYF and/or the VE league without a refund of any and all fee's or due's I have submitted to the SYF or VE.
- I will show a positive attitude at all practices, games, and other team events as well as towards all participants, spectators, coaches, and officials, because I understand that a positive approach will benefit me and all children participating.
- I and all who represent my player will be asked and agree to help and support fundraisers, snack bar personnel, chain crew, setup, break down, clean up detail at all home, away, playoffs or championships games regardless of my child/s performance, to which ever site they may occur.
- The sale of any SYF photos, videos, or apparel is prohibited and reserved for the SYF organization. Any and all photos taken by SYF/VE of SYF football players or activities is private property and will be used to promote the Team/league by advertisement or sale of its property, photos, videos, and apparel publicly.
