To Whom It May Concern,

I would first like to thank you for taking time out of your busy schedule to read this letter and consider our needs.

We are currently seeking sponsor opportunities from local businesses such as yours to sponsor our local youth football and cheer organization for our 2021 Fall Football and Cheer season.

Here at Mechanicsville Football and Cheer we pride ourselves in bringing the love of football and cheerleading to the youth of our community. We strive not only in teaching the fundamentals of football and cheer, but also the importance of teamwork, sportsmanship, and to promote physical fitness.

We have a group of young men and woman that want to participate in our upcoming season, and we need to purchase new uniforms for all the football players and cheerleaders.

Unlike our Competitors in the surrounding counties, we have no concession stands to help raise money, and we are required to pay for our Fields for practice and games.

We are a member of The River City Youth Football League. We are a non-profit organization that relies solely on the donations, sponsorships and registration fees from our community to provide the equipment, facilities and uniforms for our organization.

Mechanicsville Football and Cheer is a volunteer run organization focused on the local community and the youth and families within it. We have been a locally sponsored program within the Mechanicsville community for over 50 years!

This year we are offering more sponsorship opportunities than ever. Depending on which level of sponsorship you may choose you can enjoy benefits from simply sponsoring a child who otherwise may never have the opportunity to participate, or have visual logos of your company displayed on signs at games and/or practices.

No matter which option you may choose, we greatly appreciate it and look forward to you joining us as a part of our Mechanicsville Family.

GO HORNETS!!
