Bylaws, Local Rules & Ground Rules

Each local Little League Board of directors should adopt its own bylaws, local rules or ground rules (the terms are interchangeable.) This document or documents expire annually at the end of the fiscal year and must be renewed annually. They normally include the local board's procedures for selection of Tournament Teams (All Stars), specific ground rules for various divisions (such as whether the 10-run rule will be used), etc.

Because rule each local Little League board of directors should have authority to change these types of procedures, they require only board consent, without the general membership's approval. No part of the bylaws, local rules or ground rules can conflict with or supersede any Little League rule, regulation or policy.

The bylaws, local rules or ground rules are to be distinguished from the local Little League's Constitution. The Constitution spells out the duties and responsibilities of the officers of the board, definition of membership, election procedures, meeting requirements such as quorum, etc. The local Little League board of directors must make a copy of the bylaws, local rules or ground rules available to any member of the local Little League for review and inspection if requested.

The Bylaws of Kent Little League do not apply to inter-league play. For inter-league play, the Little League Baseball/Softball Official Regulations and Playing Rules shall apply.

1 General Policy

It is the intent of Kent Little League (Kent LL) to accommodate any player who wants to play baseball or softball, lives within the Kent LL boundaries (established by Little League Inc.), and meets registration requirements established by Little League Inc. and Kent Little League. No player will be turned away except for severe disciplinary reasons or restrictions placed on Kent LL by organizations with which Kent LL is obliged to cooperate. The number of teams in each division is limited to the availability of fields. During registration and team formation, players may be placed on a waiting list until there is an opening on a roster or until enough players register to form another team.

Managers, coaches, players, parents, spectators, etc., shall not consume alcohol or tobacco products at any Kent LL function.

EXCEPTION: Alcohol or tobacco products may be consumed at Kent LL adult-only functions with the approval of the Kent LL Board of Directors.

Kent LL follows the rules as set forth in the Official Regulations and Playing Rules for the current year for each chartered division as well as the Little League Operating Manual for the current year. Kent LL has adopted supplemental rules (Bylaws) (contained herein) that augment the Official Regulations and Playing Rules. These Supplemental Rules are mandatory during regular season, but are not applicable during post-season tournament play. Managers and coaches (and players and parents) are responsible to know these Supplemental Rules as well as the Official Regulations and Playing Rules authorized and published by Little League Baseball, Inc.

If extenuating circumstances do not allow any of the processes in these Bylaws to be followed as written, said process(es) may be temporarily adjusted as required with the approval of the Kent LL President and the Kent LL Board of Directors. The temporary adjusted process(es) shall be posted at www.KentLL.org.

Kent LL shall enforce the following age and residence rules during registration in compliance with Little League, Inc.:

Player Age: A player's league age for the current season of baseball is his/her age as of the playing season. Age requirements are per Little League International specifications [for Baseball](#) and [Fastpitch Softball](#). See Little League Baseball Proof of Age Requirements document for details on acceptable proof of age documents that **must** be submitted at registration (<http://www.littleleague.org/learn/forms.htm>).

Player Residence Location: The player must live within the Kent LL boundary (see boundary map at www.KentLL.org) at least 51 percent of the time and indicate residence location on boundary map during registration or have a completed and approved Regulation II(d) waiver on file. See Little League Baseball Proof of Residency Requirements document for details on acceptable proof of residency documents that must be submitted at registration (<http://www.littleleague.org/learn/forms.htm>).

Players who move outside of Kent LL boundaries may continue to play for Kent LL provided a Regulation II (d) waiver has been submitted and approved by Little League, Inc. The proofs of residency shall be kept with the waiver until the player no longer plays for Kent LL. Per Little League rules, if a player playing under a Regulation II(d) waiver does not play the following year, that player is not eligible to play for Kent LL unless that player establishes residency again within the Kent LL boundaries.

Kent LL strives to provide the safest playing environment possible. Kent LL provides training for managers, coaches, and volunteers to be able to handle most accidental injuries. Our facilities are periodically surveyed and maintained to the highest standards to prevent injuries and mishaps.

Kent Little League Bylaws

No player shall be subjected to abusive language, harassment, severe or injurious discipline, anger of the coaches, teammates, etc.

1.1 Background Check

Per Little League Inc. Regulation 1 (c), Kent LL is required to conduct an annual, nationwide background check on all personnel and hired personnel. Each volunteer or hired personnel is required to complete and submit a "Little League Volunteer Application" and provide a copy of a valid government-issued photo identification to the president or board member(s) designated by the president ("designee(s)"). No one will be allowed to participate in any manner, whose background check reveals a conviction or guilty plea for any crime involving or against a minor. Kent LL may also prohibit any individual from participating as a volunteer if the individual is deemed unfit to work with minors.

Kent LL shall perform background checks as follows:

The president shall name one or more Kent LL Board of Directors to perform background checks under the direction of the president. The president shall review the results of any background check that returns information that warrants further investigation on individuals identified in Step 6.

Each Kent LL Board of Directors member, manager, coach, adult umpire, and all other adult volunteers or hired personnel shall complete and submit a "Little League Volunteer Application" for the current fiscal year and a copy of a valid, government-issued photo identification to the president or designee(s).

The president or designee(s) shall conduct a background check on all managers using Lexus Nexus at www.littleleague.choicepoint.com.

The president or designee(s) shall conduct a background check on all other volunteers and hired personnel using the United States Department of Justice National Sex Offender Public Registry at www.nsopr.gov. The president or designee(s) shall complete the "Little League Volunteer Application" as required by Little League.

If the background check returns information or Kent LL subsequently becomes aware of information, by any means whatsoever, that an individual, including, but not limited to, volunteers, players and hired workers, has been convicted of or pled guilty to any crime involving or against a minor, the president must contact the applicable government agency to confirm the accuracy of the information. The president or designee(s) shall also notify the individual of the action that is being taken so that the individual can offer any response or comment to the president and the Kent LL Board of Directors. Upon confirmation of a conviction for, or guilty plea to, a crime against or involving a minor, Kent LL shall not permit the individual to participate in any manner. That person shall be dismissed immediately.

If the background check reveals that the individual, including, but not limited to, volunteers, players and hired workers, has been convicted of or pled guilty to any other type of crime not involving nor against a minor, the president must contact the applicable government agency to confirm the accuracy of the information. The president or designee(s) shall present the findings to the investigation committee. The individual shall have the opportunity to present his or her side of the case to the investigation committee. The investigation committee shall determine whether or not the individual will be able to continue participating in Kent LL. The following shall apply:

Any felony involving physical harm to an individual (for example, murder, kidnapping, spousal abuse) is reason for immediate dismissal.

Any felony not involving physical harm to an individual (for example, extortion, theft) shall be reviewed on a case-by-case basis. However, the individual cannot hold a board position, manage, or coach.

Kent Little League Bylaws

Misdemeanors (for example, a minor fist fight), infractions (for example, a speeding ticket), and DUIs (driving under the influence) shall be reviewed on a case-by-case basis.

All decisions by the president, investigation committee, and Kent LL Board of Directors are final.

All forms submitted for and created as a result of the background check shall remain in the possession of the president or designee(s) until the end of the fiscal year. Except as required by law, no other person shall have access to or see the forms.

Immediately after the conclusion of the fiscal year, all forms shall be destroyed, except for those from volunteers or hired personnel who are participating in Fall Ball.

The manager was selected after the class(es) was held.

5 Parents

5.1 Parent Involvement

Kent Little League is a volunteer organization. It cannot be effective if only the board of directors and a few other parents do all the work. It is critical that each parent be involved with the everyday operation of Kent Little League. Parent involvement helps ALL of the kids playing in Kent Little League. Therefore, ALL parents shall be accountable for one of the areas of responsibility on their child's team. Each parent shall have something to do that will foster team spirit and take burdens off the managers' shoulders.

Areas where team parents should help include, **but are not limited to**, the following:

Coach

Uniforms

Fundraisers

Concessions

Team Safety Officer (should be Manager)

Pre-game field preparation and post-game field repair.

Field Maintenance

Phone Tree

Team Parent

The team manager will be provided with a parent volunteer form listing the areas where volunteers are needed for his/her team. The parents are required to select an area to volunteer for prior to the beginning of the season.

5.2 Parent Conduct

Parents must exhibit good sportsmanship at all times, especially from the stands. Coaching from the stands is not allowed, but encouraging players is. Negative comments **will not** be tolerated.

6 Team Formation

6.1 Baseball Tee Ball, Minors Softball Minors

The most important consideration in assigning players to teams is the assignment of players to the level of play they are best suited for and to distribute the available player talent so that all teams, in all divisions, of Kent LL are competitive.

NOTE: Managers do NOT have input as to who is on their team.

NOTE: To help ensure fairness to all teams and players, requests shall not be accepted from managers, coaches, parents, and players.

6.1.1 Baseball Tee Ball, Minors A/AA, Softball Minors

Baseball Tee Ball, Minors A/AA and Softball Minors division teams are formed by the Kent LL Registrar, appropriate Division Director(s), and Division Player Agent on the basis of:

Equal distribution of age.

Neighborhood school residence.

Geographic location.

Time permitting, a brief evaluation for AA Players will be held

This means that each team will have a similar number of aged players and most players will live close to their nearest neighborhood school.

NOTE: Registration numbers and age distribution may require that players living in the same neighborhood play on different teams.

There are no evaluations, tryouts, or draft for these divisions (A and AA) unless time permits, and it is determined necessary by the Division Director and the Player Agent to ensure a learning and competitive environment.

Players who try out for a Softball Majors team, and are not drafted, will be placed on an appropriate Softball Minors team.

6.1.2 Baseball Minors AAA

To help ensure parity (similar age and baseball skills distribution) among all teams, Baseball Minors AAA division teams are formed by the Kent LL Registrar, Division Directors, and Player Agent based on:

Equal distribution of age based on random disbursement.

AND

Evaluation of player baseball skills per age group.

All 9-year-old players who wish to play Baseball Minors AAA, and 10 and 11-year-old players desiring to play in the Baseball Minors AAA division will be required to attend an evaluation. The purpose of the evaluation is to equally distribute the skill sets possessed by all players to ensure an even distribution of all talent.

All 10 and 11 year old players who try out for a Baseball Majors team and are not drafted will be placed on a Baseball Minors AAA team based on their evaluation.

All 9-year-old players who try out for a Baseball Minors AAA team and are not placed on a Baseball Minors AAA will be placed on a Baseball Minors AA team.

6.2 Baseball/Softball Majors, Juniors, Seniors

6.2.1 Manager Assignment to Teams

If selected, returning managers shall be assigned to the team they managed the prior year. If a new manager has a child already on a team or was a manager on the team within the previous two years, that manager candidate shall be assigned to that team. All other manager assignments to teams shall be done randomly by drawing names out of a hat.

6.2.2 Draft

The Baseball/Softball Majors, Juniors, and Seniors divisions shall hold tryouts each year. Tryouts are conducted under the direction of each division's Director and/or Player Agent. The President or Vice President, and the Secretary or Registrar should be at the draft to assist the division Director and Player Agent and to record and verify the final results.

It is the responsibility of the individual team managers to:

Have adequate knowledge of the players attending tryouts and who are eligible to be drafted.

OR

Obtain assistance from another individual and/or Player Agent/Division Director.

Each manager may have two individuals assist him/her during the tryout sessions, provided that the Player Agent/Division Director is notified. Each manager may have one individual assist him/her during the draft. However, that assistant shall not sit in the "draft room."

Each Manager shall have 3 minutes to make his/her selection. If after 3 minutes have passed and no selection is made, the manager may be required to forfeit their selection for that round and next manager's selection clock starts.

Baseball Majors only:

All 12 year olds must be drafted. The number of 12 year olds on each team must be as equal as possible under the supervision of the Division Director and Player Agent. No manager shall draft more than four 10 year-olds.

All non-titled 12 year-old boys and any girls who desire to play in Baseball Majors must try-out for Baseball Majors. This includes returning (non-titled) 12 year-old boys and girls and newly registered 12 year-old boys and girls. During the draft, managers may select from any of the players that participated in at least 50% of the tryout sessions. If a 12 year-old boy does not want to play BB Majors, a waiver must be completed and submitted to District 10 Administrator for approval to not play in BB Majors. A maximum of one 12-year-old boy is allowed on each Baseball Minors AAA team.

Each player drafted by a Baseball/Softball Majors division team shall, for the duration of his/her Baseball/Softball Majors division career, be a titled member of the team that drafted him/her, unless he/she is subsequently traded or released per section 6.2.4. The Kent LL Board of Directors, through the Player Agent, reserves the right to continue any player who has a residence change (e.g., moved outside of the Kent LL boundaries) after becoming a member of Kent LL as provided in the official rules (following

Kent Little League Bylaws

proper completion and submission of appropriate Little League waiver forms). However, the Kent LL Board of Directors shall take into account the interests of the player in exercising this right.

A player drafted by a Baseball/Softball Juniors or Seniors team shall not be a titled member of that team the following year; however, they remain titled to the division in which they are eligible to play. All players must try out each year. Previously titled players shall be drafted first, and then non-titled players who attended at least 50 percent of the tryouts shall be drafted until the teams are full.

The Kent LL Player Agent/Division Director, in accordance with the current edition of the Little League Operating Manual, shall administrate the draft process, player options, and the bonus round.

If a manager candidate for a drafted team is approved, and has a son/daughter on a team other than the team to which the manager is assigned, the manager's son/daughter shall resign from their titled position on their current Kent LL team according to the process defined in the Little League Operating Manual. After review and approval by the Kent LL Board of Directors, that player shall be eligible for the draft.

If one or more teams have fewer returning players than the other teams, they shall be permitted one supplemental draft pick in the fourth round per the operations manual. In addition, they shall continue to have one supplemental draft pick in subsequent rounds until the team/s have the same number of players at the end of the round. The round is considered complete after the supplemental draft picks have been made.

6.2.3 Draft Methods

The current year Operating Manual, Player Selection Systems section, Methods for Existing Leagues subsection, Plan A shall be followed.

6.2.4 Player Draft Re-entry

The spirit of the player draft re-entry is to protect the relationship between the player, parent, and manager/coach. When a problem exists between a player and manager/coach, or parent and manager/coach, the following steps must be taken:

A player or parent that has a problem with a manager/coach must take the following actions, in the order listed:

Discuss the situation with the player's team coaching staff.

If no resolution is reached, the manager and parent(s) shall notify the division Player Agent.

If the Player Agent is unable to resolve the situation, the Player Agent shall notify the Kent LL Board of Directors.

The Kent LL Board of Directors shall address the situation and attempt to solve the problem fairly for all.

If the player or parent still has a complaint with the manager or coach, the player or parent may petition the Kent LL Board of Directors in writing, no later than ten days prior to first tryout, for permission to re-enter the next season's draft.

The Kent LL Board of Directors shall grant or deny requests for re-entry into a draft based on how well the previous conditions were met. All considerations for the best interest of the player will be given.

Any 11 year old player re-entering the draft incurs the risk of not being drafted.

6.2.5 Refund Policy

Refund requests made before the day of team formation shall be accepted. A full refund shall be given if written notification is received by the Registrar before the day of team formation. The Registrar shall notify the Treasurer to issue the refund.

6.2.6 Player Vacancy

See section 6.2.2 of this document for the procedure of how a manager's child shall re-enter the draft should the manager be assigned a team different from his/her child.

If a vacancy occurs on a team with titled (drafted) players, the Replacement procedure shall be as follows (see the Little League Operating Manual, Local League Maintenance of Rosters chapter, Replacements section):

The manager of the team losing a player shall promptly advise the division Player Agent when a player is lost to a team during the playing season for any of the following reasons:

He/she moves to another city or state too distant to commute for practice and play;

He/she is injured (does not matter how, where, or when the injury occurred) and it is a season-ending injury (based on a doctor's opinion);

He/she has, for personal reasons, decided to terminate his/her association with the team;

Any other justifiable reason reviewed and approved by the Board of Directors.

The manager of the team losing a player shall promptly advise the division Player Agent. The Player Agent shall advise the President and the Kent LL Board of Directors. If the loss of the player is approved, the President will send a letter of release to the player and the parents stating that the player is released from the team (except for injury) and the league for a justifiable reason. This action creates a legal opening for a replacement on the team roster. If the vacancy occurs before May 1st, the manager shall review the available player list (players on a Minors team who attended tryouts) with the Player Agent and shall select a replacement. The Player Agent and Division Director will discuss with the parents of the selected player, the possibility of their child moving into the Majors Division. If the parents and player agree, the replacement player becomes a titled member of the team.

Kent Little League Bylaws

If a titled player is injured prior to the first regularly scheduled game, the manager must notify the Division Player Agent. The parents or legal guardians of the player must give the Division Player Agent a note containing the physician's opinion of how long the player should not play. If the player is unable to play as of April 1, the manager must select a replacement player from the draft unless the President, Division Director, and Division Player Agent agree to an extension (e.g., the player can return a few days after the April 1 deadline).

NOTE 1: If the Baseball/Softball Majors player is not released, the Baseball/Softball Majors manager must select an 11 year old; otherwise the Baseball/Softball Majors manager may select any player from the list of players that attended tryouts. If the Baseball/Softball Majors replacement player would cause the number of players of that age on the team to exceed eight, then another aged player must be selected.

NOTE 2: If the player is 10 or 11 years old and is out for the season because of a season-ending injury, he/she remains titled to that team for the following year (but can no longer play in the regular season or on a tournament team for the current year).

6.2.7 Expansion and Contraction Draft Methods

The current year Operating Manual shall be followed in regards to options on players and the bonus round. Expansion drafts and contraction drafts are explained below.

Expansion Method

If the league needs to expand the number of teams at the Majors Division level, Kent LL will follow Expansion Option Three.

Reduction Method

If the number of teams is to be reduced at the Major League level, the Board of Directors decides which team is to be eliminated from the division. They will take into consideration the number of returning players per team and teams without a returning manager as well as any other league formation considerations.

Option B: All current Majors Division players affected must be reassigned to a Majors Division team through a regular draft wherein, if a number of returning Majors Division players has not been drafted by the time that same number of draft picks remain, those returning players must be the only players eligible from that point forward in the draft.

7 Safety

Kent LL will provide the safest playing environment possible. We will train our managers, coaches, and volunteers to be able to handle most accidental injuries. Our facilities are periodically surveyed and always maintained to the highest standards to prevent injuries and mishaps.

Official Regulations and Playing Rules:

ALL male players MUST wear an athletic supporter with a cup to prevent injury that could occur from a hit or thrown ball at all games and practices. It is recommended that female catchers also wear a protective cup. See the Little League Safety Code for more information.

The player catching balls for a coach/manager hitting infield practice or fly balls MUST wear a catcher's helmet during games and practices.

Plate umpires MUST wear the same protective equipment as required for catchers, including a helmet for all umpires under age 18. No exceptions are allowed.

Managers shall check the playing facilities for safety prior to starting practices. Umpires and managers shall check the playing facilities for safety prior to starting games. All problems must be reported to the Fields Director.

Each incident or accident must be documented and reported to the Safety Director within 24 hours of its occurrence.

Each manager must ensure that he/she has a signed Medical Release Form for each player on the roster prior to the first practice and carry them with them at all practices and games.

Managers and coaches will attend Coach's training prior to the season. The training session will include basic safety principles and first aid.

Each manager MUST have a Kent LL supplied first aid kit at all practices and games. Managers MUST check supply levels prior to practices and games and replenish as required.

When there is lightning and/or thunder, all practices and games must stop immediately and everyone must go to a safe location. (See Appendix A – Lightning Safety Guidelines in the Official Regulations and Playing Rules)

Managers and parents will utilize safety and security policies as they pertain to dropping-off and picking-up of players at all practice and game fields.

Equipment shall be stored in an orderly manner in the dugouts to prevent hazards.

Guests are NOT allowed in the dugout area or on the field during games.

Each manager must inspect equipment for wear and tear before each practice or game and repair or replace Kent LL defective equipment. Ensure that all player-supplied equipment meets Little League regulations and requirements.

Volunteers performing duties within the concession stands will be briefed on the regulations and operating guidelines employed within the stand.

All batters, base runners, and youth base coaches shall wear a batting helmet.

Kent Little League Bylaws

Arrangements shall be made to ensure a mobile phone is available at each practice and game for emergencies.

During games, managers will ensure that players not currently participating in the game remain in the dugout.

On-deck batters are not allowed in the Baseball/Softball Minor and Major divisions. However, the first batter of each half inning may take practice swings in foul territory.

Breakaway bases or throw-down bases must be used on all fields for all divisions for practices and games.

One adult must be present in the dugout at all times when players are in the dugout.

8 Fields

Field addresses and field rules shall be distributed with game schedules. Players, coaches, managers, and spectators are required to follow all field rules. Practices and games must only be held at Kent LL approved fields for insurance reasons.

No pets are allowed on any fields used by Kent LL, unless otherwise posted.

At Ryan Brunner 1 & 2 and Covington Real Life Church 1 & 2 fields, the home team shall provide a volunteer to update the scoreboard during the game. Scoreboard numbers are stored in the equipment container. Scoreboard numbers must be returned to the equipment container following the last game of the day.

At Ryan Brunner 1, 2, & 3, Covington Real Life Church 1 & 2, and Kent Rotary Field, the following pre-game preparation and post-game repair activities must be done:

The home team shall take the lead role for each game preparation. The home team will coordinate with each of the team's field prep volunteers for field preparation.

Each team shall provide two volunteers to prepare the field 60 minutes prior to the start of each game. Field preparation includes removing debris and obstacles from the field, dragging the infield, raking around the bases, home plate, and pitcher's mound, tamping home plate and pitcher's mound, installing bases, and chalking the foul lines and batter boxes. Field prep must be completed 30 minutes prior to the game start time so that the teams can do pre-game warm-ups.

EXCEPTION: Abbreviated field prep will be done between back-to-back games.

NOTE: More than 60 minutes may be required for field preparation if it has been raining.

Each team shall provide two volunteers to repair the infield and outfield immediately after the last game of the day. Bases must be returned to the equipment container following the last game of the day. Field repair includes removing debris and obstacles from field, filling holes, tamping around bases, home plate, pitcher's mound, and outfield with dirt from the "Field Repair Dirt Pile". A wheelbarrow, shovel, and tamper are available in the equipment container. Pick up all trash from dugouts, and spectator areas and empty all trash cans.

On inclement weather Saturday's, a minimum of one representative from each team must show up 1 hour prior to the day's first game to help prepare the field for the day's games.

Prior to the start of a scheduled game, each team may take a 12-minute infield practice. The visiting team shall take the field first, 30 minutes prior to scheduled game start time until 18 minutes prior to scheduled game start time; the home team shall take the field next, 17 minutes prior to the scheduled game start time until 5 minutes prior to the scheduled game start time. If field preparation shortens available infield practice time, each team will divide equally the remaining time for their infield practice. All infield practice will stop 5 minutes prior to scheduled game start time by order of the umpire.

Absolutely no field work (raking, dragging, etc.) is allowed on any field rented from King County Parks and Kent Parks.

Kent LL teams are prohibited from using for practice or games any Kent School District field, King County Parks field, and Kent Parks field unless it has been scheduled for their use through the Kent LL Scheduler. Violation of this rule may result in manager suspension.

Managers must take all reasonable actions to retrieve uniforms after the completion of the season. Managers not returning uniforms as directed by the Uniform Director may be subject to disciplinary action as determined by the BOD.

In some cases, KLL may choose to provide T-shirt style jerseys that may be kept by the players at the end of the season.

10 Supplemental Playing Rules

The following supplemental playing rules are intended to supplement and/or emphasize the Little League Baseball/ Softball Official Regulations and Playing Rules. These supplemental rules are mandatory during regular season – tournament exceptions are noted. Conflicts with these supplemental rules must be brought to the Kent LL Board of Directors in writing for resolution.

10.1 General Rules

This section is applicable to all Kent LL divisions except as noted.

The home team shall occupy the third base dugout.

The manager or a coach will be physically in the dugout during the game whenever there are players in the dugout.

The home team shall provide two new baseballs/softballs and one “like-new” ball to the umpire prior to the start of each game. Additional game balls must be on hand should they be required.

Scorekeeping:

A manager or coach must be the scorekeeper on all drafted teams and also BB Minors AAA teams.

Scorekeeper responsibilities include:

Keep accurate hardcopy records of games, including pitch count (in applicable divisions) of each pitcher appearing in the game.

Reconcile runs and pitch count each half inning with the opposing team’s scorekeeper.

The home team scorekeeper is the official scorekeeper and is responsible for ensuring that the scorebooks (home and visiting teams) are reconciled between innings.

The home scorekeeper shall record the game start time as stated by the plate umpire in the home scorebook.

Home team manager shall record the game results on the Kent LL website on the same day as the game. The home team manager shall provide a copy of game reports to the opposing team manager.

Each team manager shall sign the game report for validity verification.

NOTE: If a game is declared an official tie, the tie shall be calculated as half a win for both teams.

Kent Little League Bylaws

Games:

Definitions

Scheduled game: A game as it appears on the game schedule.

Regulation game: See Official Regulations and Playing Rules.

Called game: A game that did not start at its scheduled time.

Suspended game: A game that started but did not become a regulation game.

Makeup game: A called or suspended game that has been rescheduled.

All games shall be played on Kent LL scheduled fields.

EXCEPTION: Teams playing away games against District 10 teams shall play on fields provided by the home team.

Games shall be scheduled Monday through Saturday during the Spring and Fall seasons. (Exceptions may be made by the Kent LL Board of Directors).

Games shall not be scheduled during Spring Break (Monday through Friday), but makeup games may be scheduled during this time if both teams have enough players. (Exception: District 10 Interlock games will be subject to the District 10 calendar and games may be played during these break periods).

Games shall not be scheduled during Memorial Day Weekend (Friday through Monday), but makeup games may be scheduled during this time (except Sunday) if both teams have enough players.

Games per week are counted Monday through Saturday and include scheduled games and makeup called games, but not makeup of suspended games.

BB Minors divisions shall be scheduled to play one or two games per week. Teams in these divisions are permitted to play more than three games in a week, but are not required to do so.

BB Majors/Juniors/Seniors divisions shall be scheduled to play one to three games per week. Teams in these divisions are permitted to play more than four games in a week, but are not required to do so.

Calling and suspending games:

Only the managers of the two teams scheduled to play make the decision to start or call a game. The umpire-in-chief (plate umpire) makes the decision to suspend a game after the game has begun, reference Official Regulations and Playing Rules. Managers and coaches shall NOT influence the Umpire-in-Chief's (plate umpire's) decision. Reasons for called and suspended games include, but not limited to:

When a field is too wet to play safely

When there is insufficient light to safely play

When a team does not have nine players.

When there are no umpires (teams shall NOT be allowed to provide umpires for games).

Player shortage (not applicable to T-Ball and Baseball Minors A): If a team has at least nine players and one manager or coach, the game must be started (unless it is called for a legitimate reason) at the scheduled time. When a team cannot field nine players (due to school events, etc.), the game shall be rescheduled.

NOTE: The parents of players unable to be at a game because of a school or other event shall notify their Division Player Agent via email no less than 72 hours before the scheduled game start time. If the Player

Kent Little League Bylaws

Agent receives enough notifications that would ensure a team will not have enough players, the Player Agent shall call the game.

Calling games due to weather or field condition:

The managers shall not call games sooner than 1 hour prior to the scheduled game time. Managers can call the game only after they meet at the field and agree that it is not playable.

In severe weather situations, opposing managers AND any one of the following can call a game no sooner than 3 hours prior to game time: the Kent LL Division Director, the Kent LL Player Agent, the Kent LL President, or the Kent LL Fields Director. It is at the option of the aforementioned board members, whether or not they need to be at the field to call the game.

Every reasonable effort must be made to make fields playable when they are scheduled. Rescheduled games put a burden on Kent LL, teams, umpires, and managers. If this process is not followed, one or both teams shall forfeit.

Making up games (not applicable to Baseball Tee Ball or Minors A):

The Kent LL Game Scheduler shall publish a list of dates/fields that can be used for makeup games. In addition, any game-suitable field used for a practice can be bumped for a makeup game.

The managers of any game that is called/suspended shall have 48 hours to choose a primary and secondary date/field for their makeup game.

The date chosen should be within 4 to 14 calendar days of the called/suspended game or as soon as possible thereafter.

If the managers cannot agree on a make-up date within the 48-hour period, the Kent LL Game Scheduler shall assign the makeup game at the earliest available slot, based on team availability regardless of number of games scheduled for each team in that week.

Exception for BB Majors only: based on umpire availability, games may be scheduled sooner than 4 days if coordinated with Kent LL Umpire Scheduler.

Any game not played shall be counted as a loss for both teams unless there are no open dates/fields available.

Exception: Any manager that can show by email trail that he/she made a concerted effort to reschedule a game (minimum of 3 attempts), but the other manager refused, that manager shall be awarded a win by forfeit.

The home team is responsible to email the two makeup game choices to the Kent LL Game Scheduler.

Forfeits: Forfeits are allowed for refusing to play. Reference Official Regulations and Playing Rules.

Ten run rule (Not applicable to T-Ball and Baseball Minors A/AA: A manager whose team is ten runs or more behind at the end of the 5th inning is required to concede the game at this point. The minimum player playing time rule is not enforced when a game is conceded,

Pitching regulations (not applicable to Baseball A Minors or Tee Ball):

Pitching regulations are clearly defined within Official Regulations and Playing Rules. Managers must ensure they keep track of and can make available all pitching records to Umpires, Opposing Manager and League Officials, if requested. Kent LL officials reserve the right to audit pitching records and take appropriate action to ensure regulations are being followed. The disciplinary action for the manager for not following the pitch count rules (including days of rest) are as follows:

Kent Little League Bylaws

1st offense: 1 game suspension.

2nd offense: may result in a suspension for the rest of the season.

NOTE 1: Pitch count violations are grounds for protest.

NOTE 2: If a game is suspended before the completion of the first inning, the partial inning is negated and the game is restarted when it is rescheduled. The inning in this instance does not count toward the pitching limitations.

Protests:

Protests shall be made in accordance with Official Regulations and Playing Rules.

Protests against violations or interpretations of the playing rules or the use of an ineligible player are to be submitted to the President within 24 hours.

No protests shall be considered involving an umpire's judgment.

Pitch count violations are grounds for protest (not applicable to Baseball A Minors).

Pitchers and catchers:

Adults are not permitted to warm up pitchers during the games or practices. Reference Official Regulations and Playing Rules.

Catchers should wear full catcher's gear. Reference Official Regulations and Playing Rules. Players warming up pitchers must wear, at a minimum:

A catcher's mask with throat protector.

AND

A catcher's helmet (not a skull cap).

If a catcher is not ready at the beginning of a half-inning, the manager must designate a player to warm up the pitcher to speed up game play. This player shall wear protective gear as described in section 14.b.1 and 14.b.2.

Infield and fly ball practice:

The player catching balls for a coach/manager hitting infield practice or fly balls MUST wear a catcher's helmet during games and practices.

Final standings and tournament seeding and tie-breakers for tournament seeding shall be determined by the following:

COMPLETE SEASON: When a season ends with all games having been played by contending teams, the champion shall be determined based upon the overall won-loss record. In cases with teams having identical Kent LL division overall won-loss records, the champion shall be determined by the following order of precedence:

Best record of head to head competition.

Least number of runs allowed between the tied teams.

Most number of runs scored between the tied teams.

A coin flip will determine the champion

Kent Little League Bylaws

INCOMPLETE SEASON: When a season ends with some games not being played by any contending team, the following order of precedence shall determine the champion:

Division best won-loss record against identical competition.

Best record of head to head competition.

Least number of runs allowed between the tied teams.

Most number of runs scored between the tied teams.

A coin flip will determine the champion.

Multiple games in a day:

When another game is scheduled to follow a game (usually only on Saturdays), and the game currently being played is running late, the team members and spectators (includes manager, coaches, players, parents, and other spectators) of the teams scheduled to play in the following game will not make comments to the umpire or other participants of the game currently being played to end the game. If that is done, the manager will receive a warning. If it happens again, the manager of that team may be suspended for one game.

Managers of teams playing a game following a game should begin warming up their players so that they will be ready to play if the previous game runs late. It may be that there is only time to do an abbreviated infield practice before the next game begins.

All games should start at the scheduled start time.

10.2 Baseball Minors Tee Ball

The Baseball Minor Tee Ball division shall use the current edition of the Little League Baseball Official Regulations and Playing Rules and the Kent LL Bylaws. The Baseball Minor Tee Ball division shall also abide the Kent LL Baseball Minors A supplemental rules (Unless otherwise noted in section 10.2).

Kent Little League Bylaws

The Baseball Minor Tee Ball division shall also abide by the following supplemental rules:

Defense:

A defensive player making a play to any base ahead of the runner suspends play. (Overthrows: the runner does not advance. Encourage the throw, provided it is in a timely manner.) Example: runners on second and third, the hitter hits the ball to the pitcher. The pitcher overthrows first base. If the runners were running before the first base person missed the ball they may advance one base. If they were not running they may not advance.

End of an Inning:

The half-inning is complete after the last batter in the lineup bats.

When the last batter comes to the plate, the offensive manager shall inform the defensive team "last batter".

Batting:

The batting order will be the entire team roster. Changing the batting order from game to game is required to vary the base running experience.

A hit ball is a "fair" ball that moves six feet from the batters tee. There shall be a chalked mark on the field in an arc, which is six feet from home plate for determining if a ball is a hit ball and in play.

Other special rules:

Bases shall be 50' apart.

The manager/coach of the offensive team shall be responsible for positioning the catcher. Keep the catcher at least 6' feet from the tee to avoid being hit by the bat.

The manager/coach of the offensive team is the only person to place the ball on the tee.

The KLL Division director or KLL Coaching director has the authority to modify rules during the season as needed to increase the safety of the player of coaches, or enhance the player experience.

10.3 Baseball Minors A

The Baseball Minor A division shall use the current edition of the Little League Baseball Official Regulations and Playing Rules and the Kent LL Bylaws. The Baseball Minor A division shall also abide by the following additional supplemental rules:

Game duration:

Games shall consist of five innings.

Each half inning shall end when three outs have been made or five runs have been scored, whichever comes first. However, if a batted ball results in scoring more than five runs at the completion of continuous game action, all runs scored count. If, after five runs have scored in a half inning and the play is still in continuous action, the defensive team must either get the third out (if there are two outs) OR bring the ball to home plate to prevent more runs from scoring.

EXAMPLE: In a half inning, if the offensive team has scored three runs, has bases loaded, no outs, and the batter hits the ball, all runs scored by the time the third out is made or the player in possession of the ball steps on home plate. In this case, if the batter scores, he has driven in four runs, therefore seven runs scored that half inning.

Kent Little League Bylaws

The five-run rule does apply in the last inning.

Time limits on games shall only be imposed if there is another game scheduled *after* the subject game.

No new inning shall begin 1 hour 25 minutes after scheduled start time. (For clarification, an inning starts immediately after the last out of the previous inning.)

No games shall be rescheduled. Games shall be played with whoever shows up – combine players with other teams necessary to allow game to be played.

Extra innings shall not be played.

No team records or standings shall be kept. However, scores during a game may be posted on the field scoreboard.

Stealing bases is not permitted.

The manager shall place ten players (if available) in the field. With ten players, four players shall occupy the outfield. Players shall be rotated such that all players experience an infield position for at least one inning per game. All players shall play defensively for a minimum of three innings per game.

The batting order shall consist of the entire player roster. Players, who become injured and cannot bat, shall be skipped in the order without penalty. It is required that the batting order stay the same throughout the season. The on deck batter of the previous game becomes the leadoff batter for the next game.

A safety baseball shall be used in lieu of a hardball, at practices and in games.

Two adult base coaches are required..

There is no ten-run rule. Official Regulations and Playing Rules.

The manager and coaches may be on the field to instruct the players. Reference Official Regulations and Playing Rules.

The manager or coach (or an approved volunteer) shall operate a pitching machine. In the event that a pitching machine is not available or inoperable, each team's manager/coach shall manually pitch to their players.

The pitching machine shall be positioned 36 feet in front of the home plate. When a manager or coach manually pitches, they shall be positioned 36 feet in front of the home plate.

Managers shall umpire their own team. Balls and strikes shall NOT be called.

There shall be no walks. Each batter shall stay at bat until:

A pitched ball is batted fair.

The batter is awarded first base due to being hit by a pitched ball or any other type of award rule (e.g., interference).

If the batter has had five pitches and has not hit a fair ball, he/she shall use a tee to hit the ball.

NOTE: The at-bat cannot end on a foul ball.

The player in the pitcher's position shall stand to the side of the pitching machine and shall have at least one foot within the twelve-foot pitchers circle. The pitcher may leave this position when the pitched ball reaches the batter.

Kent Little League Bylaws

If a batted ball (line drive or bounding ball) hits the pitching machine, the ball is dead and the batter shall be awarded first base. All runners forced to advance due to the batter now at 1st base shall advance one base without liability of being put out.

If a pop fly lands inside the twelve-foot pitching circle or if a ground ball settles inside the twelve-foot pitching circle, it shall be ruled a dead ball and the batter is out and runners shall not advance. If such a pop fly lands on the circular line and bounces away or over the pitching machine, it is a fair ball and in play.

If a thrown ball hits the pitching machine, the ball is dead. Runners shall advance one base beyond the last base legally occupied at the time of the throw. If such a dead ball is the first play following a batted ball, the batter shall be awarded first base. Runners forced to advance, shall advance one base without liability of being put out. Players who intentionally throw the ball at the pitching machine will be put on the bench for the remainder of the game.

10.4 Baseball Minors AA

The Baseball Minor AA division shall use the current edition of the Little League Baseball Official Regulations and Playing Rules and the Kent LL Bylaws. The Baseball Minor AA division shall also abide by the following additional supplemental rules:

All players must play a minimum of three (3) consecutive defensive outs twice during the game.

Bat the roster.

All players MUST play at least nine defensive outs in each game.

All players MUST play at least three defensive outs of each game in the outfield.

All players MUST also play at least three defensive outs of each game in the infield.

Pitchers are considered infielders. Pitchers are excluded from outfield playing requirements if they are a starting pitcher, and do not exceed pitch count limit. If the pitch count limit is met, the pitcher must be assigned to an outfield position or taken out of the game.

Game duration:

Games shall consist of five innings.

Each half inning shall end when three outs have been made or five runs have been scored, whichever comes first.

EXCEPTION: If a batted ball results in scoring more than five runs at the completion of continuous game action, all runs scored count. If, after five runs have scored in a half inning and the play is still in continuous action, the defensive team must either get the third out (if there are two outs) OR bring the ball to home plate to prevent more runs from scoring.

EXAMPLE: In a half inning, if the offensive team has scored three runs, has bases loaded, no outs, and the batter hits the ball, all runs scored by the time the third out is made or the player in possession of the ball steps on home plate. In this case, if the batter scores, he has driven in four runs, therefore seven runs scored that half inning.

The five-run rule does not apply in the declared last inning or the fifth inning.

An inning that begins more than 1 hour and 55 minutes after the scheduled game start time will be declared the last inning. The five run rule is lifted for this inning.

Kent Little League Bylaws

No new inning shall begin 2 hours after scheduled start time. (For clarification, an inning starts immediately after the last out of the previous inning.)

Teams have 2 minutes between half innings to have their players on the field and ready to start the next half inning. This includes the team at bat. The 2-minute time limit shall begin immediately after the final out of the previous half inning is made. Failure to comply results in:

Defense not ready: Umpire begins to call balls on the batter at 10-second intervals.

Batter not ready: Umpire begins to call strikes on the batter at 10-second intervals.

Courtesy runner: If a catcher for the next half inning is on base, they can be substituted for a courtesy runner (not mandatory) so the catcher will be ready immediately when the next half inning begins. The courtesy runner shall be the player that made the last (most recent) out in the offensive line up. The catcher can be replaced by the courtesy runner in any out situation and at any time while the catcher is running the bases when time is requested by a manager and granted by the umpire for this purpose. Managers are encouraged to have a player ready to act as catcher for a pitcher warming up in the next half inning if the game catcher is not ready to assume his position or if the courtesy runner is not used. If the catcher is substituted for, that catcher must catch at least one batter the following half-inning.

Games shall be limited to two extra innings. The "five run half inning" rule does not apply to extra innings. A game may end in a tie.

Three innings (two and one-half innings if home team is ahead) constitutes a complete game if the game is called because of rain, darkness, etc.

The manager shall place ten players (if available) in the field. With ten players, four players shall occupy the outfield. If a team only has nine players, then they shall be stationed anywhere on the field as the Official Rules allow.

Two adult base coaches are required.

The single-elimination tournament shall follow all regular season rules.

10.5 Baseball Minors AAA

The Baseball Minor AAA division shall use the current edition of the Little League Baseball Official Regulations and Playing Rules and the Kent LL Bylaws. The Baseball Minor AAA division shall also abide by the following additional supplemental rules:

Game duration:

Kent Little League Bylaws

If, after five runs have scored in a half inning and the play is still in continuous action, the defensive team must either get the third out (if there are two outs) OR bring the ball to home plate to prevent more runs from scoring.

EXAMPLE: In a half inning, if the offensive team has scored three runs, has bases loaded, no outs, and the batter hits the ball, all runs scored by the time the third out is made or the player in possession of the ball steps on home plate. In this case, if the batter scores, he has driven in four runs, therefore seven runs scored that half inning.

The five-run rule does not apply in the declared last inning or the sixth inning.

Kent Little League Bylaws

10.6 Baseball Majors

The Baseball Majors division shall use the current edition of the Little League Baseball Official Regulations and Playing Rules and the Kent LL Bylaws. The Baseball Majors division shall also abide by the following additional supplemental rules:

Player participation in Major baseball

All players must play a minimum of six (6) consecutive defensive outs and at least one (1) at bat during the (6) consecutive outs.

Substitutes must complete the above before being removed from the game.

Any player who has been removed for a substitute may re-enter the game once the minimum playing is reached by both players (per the rules described in the LL Official Regulations and Playing Rules.)

Defensive substitutions must be made while the team is on defense. Offensive substitutions must be made at the time the offensive player has his\her turn at bat or is on base.

A starter and his\her substitute must not be in the lineup at the same time, except if illness, injury or ejection of a player prevents a team from fielding nine (9) players, a player previously used in the lineup and is not currently in the game may be inserted, but only if no other eligible substitutes are available. The opposing team manager shall select the player to re-enter the lineup.

If in the event a game is suspended, the substitution and batting order shall remain the same. If the batting order cannot remain the same due to a player's absence, then the opposing manager shall pick the substitute player from the players who were not in the lineup at the time of the suspended game.

If a player is present at the conclusion of the suspended game and they were not present or available at the original game he\she may play in the game. If he\she plays than he\she must meet the player participation rule of six (6) consecutive defensive outs and one (1) at bat during the (6) consecutive outs.

Grounds for protest are if a player does not meet the mandatory playing time and the game has not been shortened for any reason. Protest must be made per the Official Regulations and Playing Rules.

There shall be no time limit on games.

Teams have 2 minutes between half innings to have their players on the field and ready to start the next half inning. This includes the team at bat. The two-minute time limit shall begin immediately after the final out of the previous half inning is made. Failure to comply results in:

Defense not ready: Umpire begins to call balls on the batter at ten-second intervals.

Batter not ready: Umpire begins to call strikes on the batter at ten-second intervals.

Games shall be limited to two extra innings. A game may end in a tie.

The division champion shall be determined by a single-elimination tournament. Final regular season conference standings shall determine the tournament seed for each team. In case of a tie, the over-all record shall determine seeding. The criteria listed in the General Section, item 10.1.16 shall be used to determine additional tiebreakers. If the tournament must be shortened (e.g. due to weather), the number of teams in the tournament may be reduced (e.g. top four) in order to complete the tournament per schedule.

Kent Little League Bylaws

The single-elimination tournament shall follow all regular season rules.

The Baseball (50/70)/Juniors/Seniors divisions shall also abide by the following additional supplemental rules:

Player participation minimums: Participation requirements clearly defined within Official Regulations and Playing Rules state that all players must play a minimum of six (6) consecutive defensive outs and at least one (1) at bat during the six (6) consecutive outs. In the event a player becomes ill or injured during a game and is unable to fulfill the participation rule, both managers must confer and agree to waive the participation rule for that player during that game only (the participation penalty that would be exercised at the beginning of the subsequent game is nullified).

Metal cleats are allowed. Official Regulations and Playing Rules.

Skullcaps are not allowed. Reference Official Regulations and Playing Rules.

The ten-run rule will be enforced. Reference Official Regulations and Playing Rules.

Games shall consist of six innings. Each half inning shall end when three outs have been made or 5 runs have crossed the plate, whichever comes first. If the 5th run crosses the plate one the batter puts the ball in play, the inning shall immediately end, with no further advance by any runner. The umpire shall rule the play over immediately to avoid any runners colliding with fielders. The 5 run rule shall apply for all innings, except for the last inning, and all runs scored before the ball is brought to home plate count. In this case, if the batter scores, he has driven in four runs, therefore seven runs scored that half inning. The 5 run rule does not apply in the last inning.

Time limits on games shall only be imposed if there is another game scheduled after the subject game. In such situations, no new inning shall begin 1 hour 45 minutes after actual start time (and games must start within 15 minutes of scheduled start time). (For clarification, an inning starts immediately after the last out of the previous inning.) If a new inning starts with five (5) minutes or less left before the 1 hour, 45 minute time limit, that inning, if it is not the sixth inning, may be declared the last inning (if the game is an official game). If no manager(s) will take the team(s), the Kent LL board of directors shall make appointment(s).

The manager of the Softball Juniors (Seniors) 1st place teams shall be the Softball Juniors (Seniors) All Star manager. Should this manager decline, the 2nd place team (and so on) shall be the manager of the All Star team. If all managers decline, the Kent LL President shall appoint a manager.
