DPSFC Coronavirus Update #4

Competitive & Club Programs

May 2, 2020

Dear DPSFC **Competitive & Club** Members,

First and foremost, we hope you and your family are doing well. We all miss the days of evening practices and weekend games. As you know in today's uncertain times, we are adjusting to a new set of guidelines and rules to protect ourselves and each other. While Governor Abbot has updated his executive orders to begin opening the economy, there remains restrictions in place on social distancing and group gatherings.

Like many organizations, we have had to make some very difficult decisions regarding our soccer programs. Using the guidance of our federal, state and local authorities, we have decided to cancel the remainder of the season. Over the next week, we will be sending individual account information and working with each family to close out accounts for this year.

DPSFC has seen tremendous growth because local parents, like yourself, have come together with a goal of ensuring their children have a better place to play the game they love. We are actively working on ways of continuing our goal and preparing for when today is a distant memory and our children are able to return to the soccer fields. In the meantime, try to stay positive, be safe and take care of yourself and each other.

Thank you,

Michael Grant
DPSFC President
