DPSFC Coronavirus Update #3

March 28, 2020

Dear DPSFC Recreational Members,

DPSFC hopes that all of our players and families are doing well and adjusting to the online learning by the schools.

At this time, we are maintaining the modified **Recreational** soccer season dates that we communicated to you on March 16. These dates are:

- Start of season Monday, May 4
- Potential for weekday and Saturday games
- First games will be held Saturday, May 9
- End of Season Tournament will be Saturday, June 27

For those families that are not able to adjust for this season change, we have developed a process for them to request a cancelation for the season. The account holder will be able to either request a program refund or a credit to your account for registration of the Fall 2020 or Spring 2021 season. Additional information regarding this process can be found in the attached Spring 2020 FAQs Please note that if you choose to cancel your Spring 2020 Recreational registration at this time, you will not be able to re-register for this season.

As we said before, we want our DPSFC membership to focus on their families during this time, as well as, allow your players the opportunity to focus on their online schooling, in the hopes that they will be able to return after April 10. Our primary commitment and focus at all times is the health and safety of our families, membership and community.

We will continue to monitor this situation and make appropriate updates as deemed necessary per guidance from Centers for Disease Control and Prevention (CDC), local public health officials and federal/state/local governments.

Thank you,

Michael Grant
DPSFC President
