## 2020 All-Stars Waiver

It is the policy of Vail Fast Pitch Girls Softball (VFPGS) to allow players to opt to play up or down one age division. For example, it may be necessary, due to safety or coaching considerations, to allow players lacking sufficient softball experience to be placed in a lower age division. The player must be within one year of the lower division in which they are to play and understand that players playing down a division are not eligible for All-Star consideration. Players playing up a division are eligible for All-Star consideration in the division in which they played.

In the event that a parent/guardian believes their player is developmentally at a competitive level above or below that of her age group and that it is in the best interest of their player to play up or down a division, VFPGS will grant such a request with the parent/guardian taking full responsibility for this decision and signing the waiver below.

The following restrictions will be mandatory for any child not playing in their own age division:

**Players that play down a division will not be eligible for All-Star consideration.**

**Players that play up a division will be eligible for All-Star consideration in the division in which they played.**

As parent/guardian of \_\_\_\_\_, by my signature below, I acknowledge and have read this agreement and hereby agree to the restrictions herein and waive any liability against the directors, coaches, volunteers, and members of VFPGS for any injuries, accidents, or problems as a result of not playing my child in her designated age division.
