Camp Philosophy

Stratford Boys Basketball Spring Camp will be a drill for skill camp that will allow your son to learn basketball skills necessary to improve his game and take it to the next level. The camp's focus is on proper footwork techniques, ball handling drills to attack the basket, finishing skills at the basket, and proper shooting techniques. This camp will be sure to provide your son with the offensive skills necessary to improve his game! We will also teach the campers some fun basketball games and contests. Campers will be taught personal workout programs to have the necessary knowledge to improve his skill at home. All campers are expected to come to camp with a positive attitude and a willingness to be pushed to another level. Sound teaching progressions will be utilized so that each camper will be challenged in an age appropriate manner.

ACE- Attitude-Concentration-Effort

Coach Schmidt – Head Boys Basketball Coach – Has run developmental basketball camps for the past 22 years. His drill for skill approach and attention to fundamentals will allow your son to refine his skills and be pushed to become a better player. Coach Schmidt's attention to detail and desire to succeed will make this a great basketball experience for your son.

*Varsity Players will help give your son a lot of individual attention!!!

COVID-19 Protocols

We appreciate you getting to camp on time. Due to COVID-19 restrictions, we have implemented a 15-minute buffer period between age level practices. Please avoid mingling in the gym or hallways during this time. Grade levels that have camp together will be assigned to stay at one side of the court and not mingle with the other grade level. Please check your son's temperature before dropping him off every week. If he has a temperature of 100.4 or higher, keep him home. If your son feels sick, please keep him home. Symptoms will be checked upon arrival. **Masks are required to wear.**

Required Equipment: Tennis shoes (does not need to be basketball shoes), athletic wear - shorts, socks, t-shirt. **Masks** are required while in the school building. This includes while playing basketball. We will offer drink/mask breaks throughout camp as needed on an individual basis. **Water bottles** will be necessary for drinks. The fountains are available for filling bottles only.

Camp Outline:

The vast majority of the camp will be a drill for skill approach that will allow your son the tools necessary to compete in the game of basketball. The min-games and contests will allow your son to use the skills that he has learned in a competitive atmosphere.

Cell Phone: 715-897-2900 Email: curts@stratford.k12.wi.us

If you have any questions, please contact Coach Schmidt's home phone or email him.
