General Information

Thank you for expressing an interest in the DC-G Girls Basketball Club. We appreciate your desire to become a valued and integral part of the Association. We practice the ideals of sportsmanship, scholarship, and physical fitness. Our program stresses learning lessons of value far beyond the playing days, such as, self-discipline, teamwork, leadership, and good sportsmanship.

Competent, dedicated, and responsible coaching is without a doubt the primary catalyst for achieving these goals. To this end, the Club attempts to identify individuals within the community with the same commitment and philosophical attributes that the Club itself was founded upon. An application and interview process, conducted by the League Board of Directors and/or their designees serves as a fair and impartial means by which prospective coaches can be selected and recommended to the full Board for approval. It is the Club's purpose and intent to entrust our youth with coaches that are positive role models, display good moral character and have demonstrated the skills and abilities necessary to effectively and positively impact our youth participants.
