

**28 JANUARY 2019**  
**NASOA GENERAL**  
**MEMBERSHIP MEETING V.0**

**President**

Cedric Thomas opened the meeting at 6:00 PM at Merrimack Soccer Complex, Huntsville, AL. Minutes of previous meeting was approved by the membership. Cedric also cited the need for additional USSF Youth Game assigners. He will participate in the USSF State Conferenve Call on 13 February.

Cedric encouraged all involved in soccer to contribute in at lease two ways: Player and Referee, Coach and Referee, Coach and Assigner, Admin and Referee, etc. We should all give back to our sport.

NASOA's High School Referee Clinic will be held on 2 February at Jack Allen Complex in Decatur. Training will emphasize the Dual System of Control for high school games. Registration is at 0800 with a Briefing at 0830. Games will be 0900-1200 and 1300-1530. Lunch and training will be 1200-1300. Wear the new HS uniform or wear all black if not available. Gene Uhl reported the uniform supplier will be at the Ref Clininc. Andy Dye reported last week that there will be 63 teams at the referee clinic. No middle school teams will participate.

**HASL Coordinator**

Tim Baron reported there are a number of USSF referees who have recertified but have not paid the \$60 fee to Pat Miller, our SRA.

Tim cautioned members to be aware of the two assigning tools for spring games: Arbiter and Game Officials software. If you accept a game in one system, immediately block that time/date in the other. In addition Cedric will assign referees for the Open Cup using 'GotSoccer' assigning system.

Tim advised refs at HASL games to ensure player photographs are at the bottom of the game roster. If no photograph, that player may not play. HASL games will start 17 February.

**Training**

We continued the situation training Kris Bailey started last week.

Members were divided into a number of 3 person teams to respond to actual high school game situations that were challenging and required many levels of analysis. The exercise was well received.

Cedric closed the meeting at 7:00 PM
