

Baseball – Juniors Division

1. All players league age 12, 13, and 14 are eligible for the Juniors division. League age 15 players may also participate with approval from the District Administrator.
2. At all times (On offense or on defense), there must be at least one adult present in the dugout. That adult must have cleared a Little League approved background check.
3. The batting order will be defined as a nine-player rotation (Batting the roster is not allowed). See Rule #11 for minimum play requirements.
4. If playing on a non-fenced field, the home run line will be marked by cones a distance of 300 feet from home plate. A batted ball that passes over the coned home run line on the fly shall be a home run. A batted ball that touches a fielder's glove, or any other part of said fielder, and passes over the coned home run line on the fly, without ever touching the ground prior to passing the cones, shall be a home run. A batted ball that passes the coned home run line after first touching the ground shall be a ground-rule double, regardless of whether a fielder touched it or not.
5. Each team must provide a scorekeeper who is not a manager or coach. The home team is considered the official scorekeeper. If the home team is unable to provide a scorekeeper who is not a manager or coach, then the visiting team can provide the official scorekeeper.
6. If District 8 umpires are not available, the home team is responsible for supplying the home plate umpire for the game. The visiting team is responsible for providing the field umpire for the game.
7. The game will be played using a Little League approved Senior Division baseball. The home team is responsible for providing two balls to the umpire at the plate meeting.
8. No new inning can be started after 2 hours and 15 minutes. No new batter after 2 hours and 30 minutes. Games not completed after the 2 hour and 30-minute time limit will revert to the last completed inning (Ties are allowed).
9. A curfew shall apply to all games played Sunday through Thursday while school is in session. No new inning may begin after 9:15 pm, and no new batter after 9:30 pm. School is not considered to be "In session" during vacations and holidays.
10. The modified mandatory play rule of nine defensive outs and one at-bat is required for each player. Managers are encouraged to give all players their minimum playing time as soon as possible to ensure compliance in the event the game cannot be completed (Darkness, weather, time limit, etc). **It is expected that managers will offer fair playing time to everyone.**
11. Managers and coaches should make every attempt to keep the game moving along at a good pace. Catchers should be identified in advance of their assigned inning, get geared up and be ready to play when their team takes the field (It should be noted that any player wearing a catcher's mask can warm-up a pitcher). The umpire will remind managers of this requirement as needed. With two outs, a courtesy runner will be allowed to run the bases for a player assigned to catch in their next defensive inning. This courtesy runner shall be the last player put out by the opposing team.
12. For safety reasons, players are not allowed to hold a bat in the dugout / bench area. Practice swings are allowed in the on-deck circle and in the batter's box only under the coach's direction.
13. After entering the batter's box, the batter must remain in the box with at least one foot throughout the at bat.
Exceptions are as follows:
 - 1) On a swing, slap, or check swing
 - 2) When forced out of the box by a pitch
 - 3) When the batter attempts a drag bunt
 - 4) When the catcher does not catch the pitched ball
 - 5) When a play has been attempted
 - 6) When time has been called
 - 7) When the pitcher leaves the dirt area of the pitching mound, or takes a position more than five feet from the pitcher's plate after receiving the ball, or the catcher leaves the catcher's box
 - 8) On a three-ball count pitch that is a strike that the batter thinks is a ball

Penalty: If the batter leaves the batter's box or delays play and none of the exceptions apply, the umpire shall warn the batter. After one warning on a batter, the umpire shall call a strike. Any number of strikes can be called on each batter. No pitch has to be thrown, the ball is dead, and no runners may advance.
