## Call to order

A meeting of [Hazel Dell Little League](#) was held via an online meeting on 1/10/2021.

## Attendees

Ron Liebelt, Adam Reinke, Deidre Smith, Katie Hinton, Ursula Kanthack, Gaerin Smith, Jared Hinton, Craig Kiggins, Ryan McCracken, Jeff Schultz, Casey Myers, Dave Stein.

## Prior Minutes

- Motion to approve 11/8/20 minutes by Adam Reinke, second by Deidre Smith, motion carried.

## Registration

- We have chosen to open registration, with a \$0 fee. This will help us gauge interest and avoid reimbursement issues if a season is not able to happen. Fees will be charged once teams can be formed. Fees have not been set yet because they may have to adjust downward if the season is not the same length as a typical year.

## Soccer Field Lease Updates

- Lease negotiations are underway with the county and things are looking very good
- The Timbers soccer club needs space to keep their mower and our sheds/storage are too narrow. They are planning to store by bullpen and will add a fence with a roof to create a storage space.

## Facility Updates

- Paving for ADA walkways: walkways will be 8-10' wide and there will be a 12'x12' sitting area by each field. Estimate about 8,000 square feet or less and can begin when weather is drier.
- Roof leak has been found in the kitchen. Will clean it up and use a sealer once it is dry enough.
- Fields will be sprayed once dry and also aerate. We hope to use Nastec spray to help with the algae that has spread on the fields.

## Gear Returns

- Some gear has still not been returned from last year. Adam has a checklist to use in reaching out to coaches that still have gear.

## Next Board Meetings

- Virtual meeting 1/24 at 7pm
