Call to order

A meeting of [Hazel Dell Little League](#) was held via an online meeting on 2/21/2021.

Attendees

Ron Liebelt, Adam Reinke, Deidre Smith, Katie Hinton, Gaerin Smith, Jared Hinton, Ryan McCracken, Dave Stein, Casey Myers and Mike Navarro.

Prior Minutes

- Motion to approve 1/24/21 minutes by Adam Reinke, second by Dave Stein, motion carried.

Registration & Return To Play

- We have 149 players registered
- It was agreed by all in attendance that we will not be allowing 4 year olds to play (motion by Adam and 2nd by Casey)
- Tentative dates have been set for a possible start after Spring Break: 3/13 Evaluations, 3/20 practices begin, 4/17 games begin. Hit a Thon is on hold for now but we will set a date when possible.

Safety Plans

- Looking at having sign in sheets in cages with health attestation check boxes for each player. Coaches will fill out the sheet at the beginning of each session and keep in a binder in the cages. Schedules for cages will allow for transition times between teams.
- More supplies will be needed such as hand sanitizer, surface cleaners and thermometers.

Fees

- We will keep fees the same as last year.

Uniforms & Equipment

- We are using what we had ordered from last year. We should be good on equipment. Dicks Sporting Goods is sponsoring again this year and we will likely purchase supplies for the cages- L screens and rolling ball carts

Interleague

- Based on numbers, we will likely plan to play interleague schedules for AL and NL.

Facility Updates

- Paving for ADA walkways: on hold for now, due to weather. Walk through planned for the next week and will check the softness of the grass. Hoping to complete project in the next 3-4 weeks.
- Roof on the concession stand still needing to be fixed but needs dry weather.

Insurance

- Ron and Adam conducted a full insurance review which removed some unnecessary items and saved about half off our bill and resulted in better coverage.

All Star Tournament

- Ron offered to host the NL and Juniors district All Star tournaments. Nothing is set, but we will host if the tournament can happen this year.

Next Board Meetings

- Virtual meeting 3/7 at 7pm
