

All Fall Ball players will register via online registration at [cgfp.org](http://cgfp.org). Registration will be open to female athletes wanting to play ages 6-14. Registration will begin June 15th and be open until August 14th. Team size will be determined by the number of registrations per division.

Therefore, there is no guarantee that all registered players will be placed on a team but every effort possible will be made to place all players. Players not selected during the team drafts will be placed on a waiting list.

Players should be aware that all games are on Sundays. Games typically begin at 9 a.m. with the last game starting at 3:00pm. There may be instances of double headers and some travel within 20 miles for inter-league games.

- Games will start on September 12th and end before Thanksgiving.
- Practices can begin August 23rd
- Games are played against other CGFP teams as well as other leagues in San Diego County.

#### **Divisions by Year of Birth:**

\*No playing up or down (exception for experienced 6U players playing in 8U). If your player will be 'aging out' of her division come Spring 2022, she may register for her current division or the next division up for Fall Ball.

8U: Birth years 2012 – 2016\*

10U: Birth years 2010 – 2012

12U: Birth years 2008 – 2010

14U: Birth years 2007 – 2008

#### **Deadlines:**

##### **Registration (CGFP Only):**

Registration closes August 14th so that we can make sure we have an adequate number of managers and coaches to appropriately form teams. Girls are not guaranteed a spot on a team as we first have to verify we have enough managers & pitchers to form teams.

#### **Fees:**

**CGFP Team:** \$75.00 per team

**Inter-league Team:** \$100.00 per team
