President Report:

Play Delay sent down from Little League International until May 11th, 2020 due to COVID-19. There has been no other information other than they are working on adjusting the schedule dates and the tournament requirements. The Board unanimously decided to wait until the next scheduled meeting on April 16th to schedule any events. MNLL will encourage all families to be patient and wait until mid April before making any decisions about this season. However, if they are insisting a refund, Andrea will forward the information to Mark and he will issue them their refund. We will also wait to reach out to our sponsors until a decision is made in April. We are hoping we have some more information from LLI. Jersey ordering is on hold for now. Forte has a 2 week turn around so we can wait! Andrea received the fundraising cards (1500).

Treasurer Report: Checking account currently sits at \$49,265.43 . Registration= 26k+; Sponsorship=43k.

Concession Stand Coordinator: Joy nominated Lacey Faulkner for our Concession Stand Coordinator. David 2nd the motion and it passed unanimously.

Maintenance: Levi and Cameron have been out at the fields cleaning out sheds, weed eating and dragging the fields. One Tball field is done, one to go. Rookies fields are next. Kevin fertilized the fields and Ken has been mowing. Lacey will be cleaning the concession stand this Saturday and Levi and Cameron will also be out there doing field maintenance. Ken Hull needs to be paid for February and March. Michael from Springfall has ordered the parts and will get the irrigation as soon as we have water.
