

CNY Baseball Academy

CNY Baseball Academy is now accepting reservations for the 2019 Travel Season. The season will run from May – August 2019. This will **NOT** interfere with Little League as practices, games and tournaments. The travel season will be scheduled around the Little League Season.

Our goal is to provide your child with the best baseball experience possible and help them develop into the best player they can be while having fun. Please note the term Travel Baseball is misleading, 99% of all games are played locally. This program will also include accelerated practices and one on one instruction. As part of this membership each player will be given an individual assessment of strengths and areas that need special attention. This assessment is specific to your child **ONLY** and CNY Baseball Academy will design a specific program to meet your child's needs and track the progress where no other program does this.

CNY Baseball Academy Season will include:

- Weekly practices- Team, small group and 1:1
- Experienced Coaches
- 10-15 Games
- 1-3 Tournaments
- Uniform
- Strength and Conditioning Program

The total cost for the 2019 Season will be as follows and **fundraising will be available.**
