

Linglestown Baseball Association

COVID-19 Screening Criteria

The following questions/criteria will be asked of each player/coach. The information retrieved from this screening should be immediately documented on the screening matrix. Any positive outcomes from this screening should result in immediate dismissal from practice/game and the head coach should follow-up with the COVID-19 officer. The screening matrix should be kept confidential and should remain with the head coach only. This matrix should be provided to the COVID-19 officer at the completion of the season.

- 1. Have you come in contact with any individual that has been identified as a person known to have tested positive for COVID-19 or someone who is presumed to have COVID-19?**
- 2. Have you experienced any of the following symptoms within the past 48 hours?**
 - Fever or chills
 - Cough
 - Shortness of breath or difficulty breathing
 - Unexplained muscle pain
 - Nausea/Vomiting/Diarrhea
 - Sore throat
 - Loss of taste or smell
- 3. Documentation of the player/coach temperature.**

If you answered yes to any of the above, or present with a temperature greater than 100deg F, you will need to be excluded from this current practice/game. The head coach will notify the COVID 19 officer and the head coach will follow up with the player/parent within 24 hours.
