8. Each player must play THREE defensive innings per game which do not have to be consecutive. Players may be substituted freely defensively.
9. The talent must be distributed as evenly as possible for those organizations having more than one team. If this does not happen and we are made aware, you may not play in the league next season. Remember this is meant to be instructional and a bridge into the spring season.
10. The in-field fly rule is in effect.
11. Drop 3rd strike is in effect.
11. Pitchers may pitch a maximum of three innings per game. 12 year old pitchers must pitch during the 1st 3 innings. Pitchers who are 11, 10, and 9 years old can pitch during any inning of the game.
12. Pitching distance is 46 feet for all pitchers.
13. No balks may be called on pitchers. Instead, the balk is a dead ball, and the pitch is not counted. The count stays the same.
14. There is one continuous batting order. Players arriving late should bat at the end of the order.
15. Each team is allowed to practice 2 times each week for 1.5 hours each practice.
16. The speed up rule is in place for the catcher. When the catcher is on base with 2 outs,

replace the catcher with a player currently not in the game (preferably, someone who has not been in the game yet).

17. Each team will provide 1 new ball for each game. Please return the ball at the end of the game to the coaches.

18. Umpire(s) are supplied by the home team.

19. The visiting coach must call the home team coach by Wednesday or Thursday before the game to make sure everything is still lined up for Saturday. Consider the weather forecast, and have contingency plans. Use cell phone numbers on Saturday mornings for last-minute communication.

20. *All other rules are as specified in the Official Little League Baseball Rule Book.*

21. Directions to fields can be obtained from the home coach.

22. League age is the player's age as of Aug 31, 2020. This is so the players play fall ball at the same level they will play ball for the 2020 season.
