TSA is the Parent Association who generates and uses their own funds to increase and enhance the softball playing community of Tupelo.

Meetings are held the second Monday night of each month in the JT Neely Center at Veterans Memorial Park at 6:00 pm.

Meetings are open for anyone to attend.

This is a great opportunity for you to get plugged in and help Softball grow in Tupelo.

Positions are vacant now for you to serve.

We now require one representative from each youth team to come to these meetings and let us know your teams' cares and concerns about the program.

For more information contact Sheila Runnels at (662) 841-6440.
