I have coached all levels of the youth game for over 20 years. I am currently the Olympic Development Program Girls Coordinator and Head Coach for Missouri Youth Soccer Association. I am also a part of the 2018 ODP Midwest Region II staff. Before accepting the assistant women's coaching position at Evangel University, I was the volunteer assistant coach for the Missouri State Women's Soccer Program where we were the 2017 Missouri Valley Tournament Champions. Coaching education has been an important part of my career pathway. I currently hold a USSF National B License, United Soccer Coaches Director of Coaching Diploma, and National Youth License.
