What does a Sarasota Little League Sponsorship offer your Company?

It gives your Business exposure to the Sarasota Community. Your sponsor ad banner will be seen not only by those who come out to watch their children play ball, but also by people from the surrounding areas during County and League affiliated and nonaffiliated baseball tournaments.

In addition, your Company's banner displays a positive message for your business as a leader supporting your community and a great cause!

Ad Style	Description	Location	Price	Renewal	Qty	Total
