## Sponsorship Policy

### **Purpose**

The purpose of this document is to define the CONTINENTAL RANCH Little League policy for sponsorships. This policy will delineate the rights and responsibilities of both the League and the Sponsor. The local Little League program, in this case the CONTINENTAL RANCH Little League has the ability to define sponsorship standards as per the Little League International Operating Manual (see section titled “Sponsors and Donors”).

### **Audience**

The direct audience of this policy is both the Little League Board members and sponsors, although all Little League volunteers, parents, players and the general public are welcome to view this policy.

### **Policy Maintenance**

This policy must be reviewed and approved by the Board of Directors within the first 60 days of each new season (as defined by the CONTINENTAL RANCH Little League Constitution and By-Laws). This will ensure the policy is kept up to date with sponsorship standards at the Little League International as well as local level.

### **The Policy**

The CONTINENTAL RANCH Little League Sponsorship Policy consists of Little League International standards and CONTINENTAL RANCH Little League standards. If at any time there is a conflict between these two sets of standards, the Little League International standards prevail.

### **Little League International Standards**

The Little League International standards are the standards included in the current Little League International Operating Manual.
