LADY WILDCATS YOUTH SOFTBALL | CANTON SOUTH, OHIO

## Team Sponsorship

### ABOUT US

**Lady Wildcats Youth Softball (LWYS)** is a non-profit community organization dedicated to providing fastpitch softball opportunities for girls ages 6-18 and all experience levels. Our organization is dedicated to teaching fastpitch softball - the only softball played at the high school, collegiate, Olympic, and professional levels. This is also the only softball style played by most of the other communities in Stark County.

LWYS is looking for **community minded businesses and individuals** who share our dedication to providing girls with a wonderful opportunity to practice teamwork, get exercise, gain confidence and have fun while learning a sport they can play well into adulthood. 100% of sponsorship donations go toward the purchase of much-needed equipment, field upkeep, and expenses incurred during the season. Your **tax-deductible** contribution will help fund our association and make our program a huge success! Please consider helping us promote good sportsmanship, team spirit, and fun in the hearts of our girls!

### FOR QUESTIONS OR MORE INFORMATION, PLEASE CONTACT:
