

HYR Picnic and Potluck June 29, 2019

The picnic is behind the backstop (in the shade) behind the field closest to the school. Depending on your game times, it will take place before, during and after the baseball games. We will start prepping the food tables at 10:00 and expect to serve food from around 10:45 AM through 1:30 PM. Depending on your game time, please come early or stay late to break bread with your fellow HYR League families. Bring your lawn chairs or picnic blankets.

Please bring a dish to share. If your last name begins with A through Q, please bring a lunch side. If your last name begins with S through Z, please bring something sweet. Please bring food in containers that are well labeled with your name, or ones that can be recycled.

GET INVOLVED!

Please volunteer to help out for an hour if you can, either prepping food, serving food, or cleaning up. The signup genius link is on the HYR Baseball Page.

HYR will provide pulled pork, pulled chicken, sauce, and buns from Mark's Feed Store, plus plates, utensils, and napkins. We will also have the big water jugs full. Please bring your own other beverages or cups for water.
