

HYR Soccer practices relocated to Seneca Park soccer field September 11, 12, and 18, 2019

Due to conflicts at Atherton High School on the following days:

Wednesday, September 11, 2019 (Cross Country Meet)

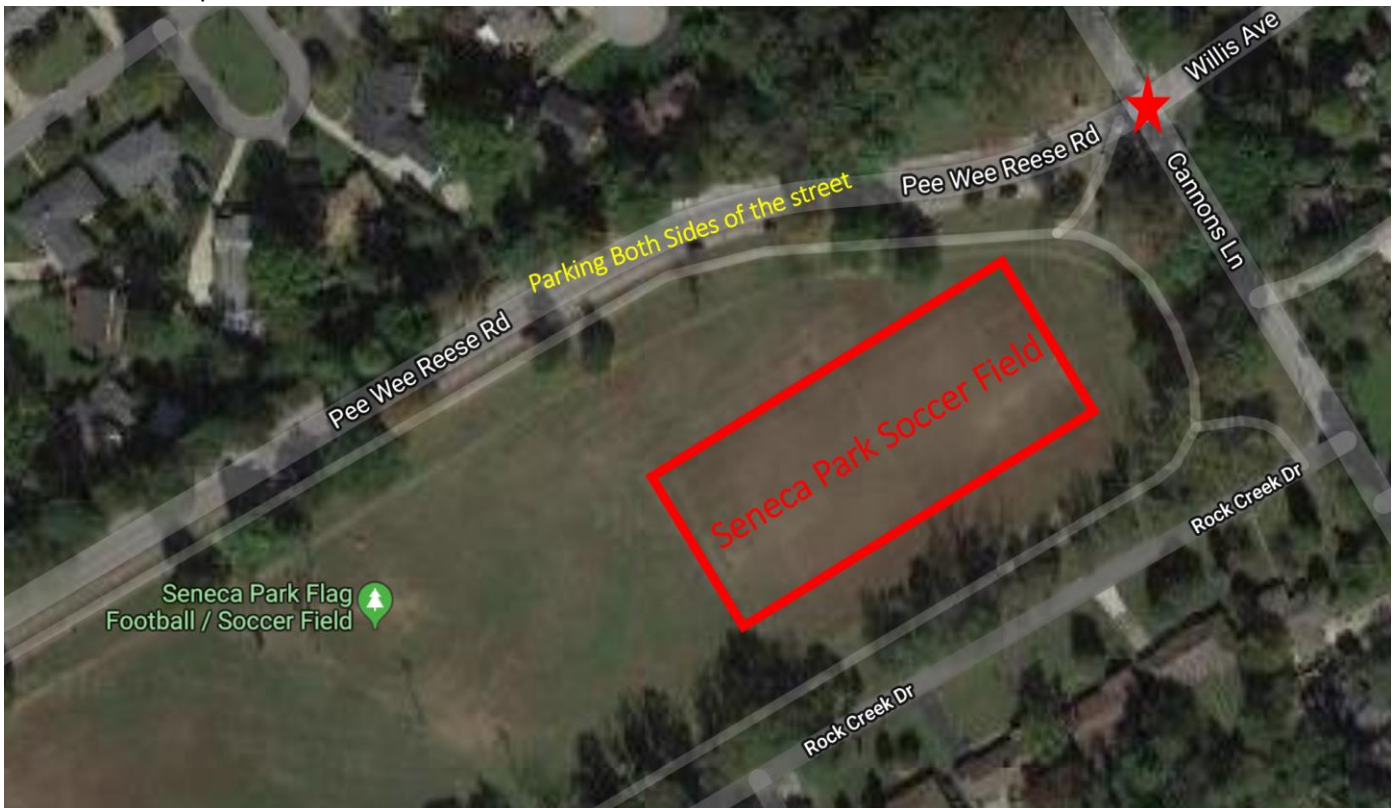

Thursday, September 12, 2019 (Atherton Open House)

Wednesday, September 18, 2019 (Cross Country Meet)

HYR will be having soccer practices at the Seneca Park soccer field on those 3 days at the regularly assigned time. To find this location using GPS, use the address "Pee Wee Reese Road and Cannons Lane". This is the red star on the map below. Please note that this space is smaller than the space we normally have at Atherton High School, but it is what we were able to reserve, and we will fit in as best we can. HYR will have a referee assigned to the field and will have yard signs indicating where each team will meet. There is parking on both sides of Pee Wee Reese Rd.

For the 5:30 practice times, please note that another group has the field reserved until about 5:30, so please do not attempt to rush them off the field. There are five younger teams assigned to a 5:30 practice on these days, so it will not be that much less space than the Atherton fields.

For the 6:30 teams, please note that with the number of teams and the age of the players, it will feel quite cramped. We would encourage teams in the same division to practice together whenever possible while at Seneca Park to make best use of the space.

We know it is not ideal, but thanks for your understanding.

Patrick Fitzgerald
