

HYR Soccer Equipment List

Each HYR player will receive...

A cotton HYR T-shirt.

The team names are selected by a survey each season. To save on shirt costs, team names are shared between divisions 2 and 3 and also between divisions 4 and 5.

Sponsors pay for logos on the HYR shirts. (To sponsor a shirt, email hyr@hcmloouisville.org.)

Each HYR player should provide their own...

Soccer cleats or shoes.

Soccer cleats are important the older a player is, the faster they run, or the cooler they want to feel. Soccer cleats do not have a toe cleat like a baseball cleat. Sneakers are fine for younger players. We have a bin of recycled cleats at the field.

Soccer Socks

Soccer socks should come up to just below a player's knees. At HYR, there are not matching uniforms other than the shirt, so the color is a personal choice. It is a long standing tradition to wear unmatched or really funky socks. Please let your freak flag fly!

Soccer Shin Guards

Shin guards can be either completely under the sock or a sleeve that goes over the sock, but they must be worn by all players, and they need to be securely in place.

Soccer Clothes and Jewelry

Soccer shorts or long pants should be made of soft stretchy material that does not contain zippers or rivets. Players should remove all jewelry before the start of a game. Players with earring studs that cannot be removed should cover the entire stud with a soft adhesive bandage (especially the pointed back part.)

Soccer Ball

Every player should bring their own soccer ball to practice with their name clearly labeled on the ball. Divisions 1, 2, and 3 use a size 3 ball. Division 4 uses a size 4 ball. Divisions 5 and 6 use a size 5 ball.
