

## HFL N. Wake Saints

The HFL exists to provide young men with the opportunity to experience competitive football in a Christian environment with the goal of growing them as followers of Christ and as football players. The HFL's current format includes contact football in the Fall and Spring. All league teams are coached with an emphasis on developing morals and sportsmanship. Coaches and players are expected to conduct themselves in a manner that demonstrates a commitment to building a league based on biblical principles. As we continue to build the league, we will base our development, conduct, and decisions on the principles of the Christian faith lived out in the life of Jesus Christ, our Savior.

The HFL is a non-profit 501c3 Christian Football league that has been around serving our boys since 2002. Maintaining a tackle football organization is a very expensive endeavor and we need your help! We have created various sponsorship programs if you are able to assist financially. Or feel free to make a donation to our Paypal account for any amount from the link on our website at [www.hflnc.com](http://www.hflnc.com)

We thank you in advance for your support and look forward to serving our boys together with you!
