3:9:1

Better teamwork on agenda items

Just a reminder that individuals responsible for certain areas of the board should be submitting agenda items for each meeting rather than waiting for Keith Barry or Dennis Roache to do so for them.

4:14:4

Concession update and repair status

There will be a hood cleaning on March 19 which will take two hours and power washing. Trauma services will be coming in and spend a half a day there working.

New concessionaire George Kehayias ordered freezers. He should be up and ready by April 1. Carpenter is coming in this weekend.

The deal with George is signed and ready go and the concession stand will be called the Grand Slam Grill.

2:10:9

Safety Officers Update

John Burns has set First-aid training for March 28 from 8-11:30 a.m. Dave Greenwood's wife will run it. We need GMS to provide names of coaches. One person from every team must attend. ASAP plan needs to be done by April 1.

We are keeping tabs on the Coronavirus and looking into whether we need to install hand sanitizer and disinfectant dispensers.

3:9:2

Injury/absence committee

Once again, the board will appoint a committee to evaluate injuries and absences for the Majors division.

Board approves motion for Ian Browne, John Burns and Pat Murphy to run this committee.

11:18:6

General Ledger update

Rick Treseler provided a general ledger update via e-mail earlier today. The league has a healthy balance as of now. Registration is strong, right where it should be.

3:9:3

Status of teams in lower divisions

Keith Gagnon says that all teams are set for the Minors. It would be good if we could have 12 teams in the Minors and 12-14 in Instructional. T-Ball could be as many as 16 teams.

11:18:5

Status of field/maintenance person

The job was offered to a 24-year-old who works at a country club and he was all set to take it, but then he decided he couldn't make the time commitment. Joe Gambon, who was in charge of the fields from 2014-18, said that he would take this roll back on.

Board approves motion to have Joe be in charge of maintaining the fields.

1:13:4

Sponsorship update

Matt Maiona says sponsors are rolling in. We have 30 or so out of 80 who have paid. Matt will follow up.

3:9:4

City field permit update

The permits are all set. Pat Murphy has them for Billings, Hynes and Draper. Dennis Roache will send summary of permits.

3:9:5

Majors coaches/scorekeeper recommendations

Keith Barry recommends coaches and scorekeepers for all Majors teams. Board approves all.

3:9:6

Umpire update

Junior umpires just completed their second class with Ed King. There are a lot of kids. Brian said he would talk to Majors umpire chief Modesto Gomez about using some of the older junior umpires at least on the bases for some Majors games.
