

# Parkway Little League Covid Guidelines

## 2021 Spring Season

Published April 7, 2021

The following is based on the Massachusetts State Guidelines for the 2021 Season

### Masks:

- All coaches, players & umpires need to wear a mask at all times.
- **Hitting:** All players need to wear a mask while they are up at bat.
- **Base Runners:** All players need to wear a mask while they are on the bases.
- **Catchers:** All players need to wear a mask while catching.
- **In the field:** All players need to wear a mask while playing a position on the field.
- **Dugouts:** All coaches and players need to wear a mask while in the dugout.
- **Coaches box:** All coaches need to wear a mask at all times.

### Dugouts and Equipment:

- All players need to keep a 6ft social distancing in the dugouts at all times.
- Hand sanitizer will be available in each dugout.
- All players are strongly encouraged to wear their own helmets and use their own bats
- For shared equipment, sanitizer will be provided to the coaches to sanitize between use

### No touch rule:

- Players should refrain from high fives, handshake lines and other physical contact with teammates, opposing players, coaches, umpires and fans.
- A “tip the cap” can be used following the game instead of the handshake line.

### Spectators:

- All spectators are required to follow the Massachusetts outdoor protocols.

These guidelines are subject to change as Massachusetts makes adjustments to its guidelines

Thank you,

Parkway Little League Board of Directors
