

Parkway Little League Refund Policy - 2020 Spring Season

Published March 31, 2020

Parkway Little League plans to have a 2020 season for all age groups. Currently, we are anticipating opening day on May 9, 2020 but this may change as Covid-19 news and policy continues to evolve. There is a possibility that our league plays into and through the summer. With that in mind and our need to plan ahead, we are making an exception to our refund policy below.

Parkway Little League Refund Policy- 2020 Season

Parkway Little League is offering refunds prior to April 15th for all players that do not plan to play this season. Refunds will include a \$30 charge for costs already incurred in preparing for this season. Refunds may be requested by sending an email to playball@parkwaylittleleague.org and include REFUND REQUEST in the subject line of the email and the players name and date of birth in the body of the email. Refunds will be processed by check within 30 days.

After this April 15th date, no refunds will be issued for this season. Players choosing not to play after April 15th will forfeit their registration fee. If the 2020 season is cancelled, all registered players who are eligible to play next season will receive a credit for the 2021 season minus the \$30.00 service charge for costs already incurred for the 2020 season. Twelve year old players may request a refund minus the \$30.00 service charge should an announcement be made cancelling the 2020 season.

Thank you.
