

Texas Intercity Football, Inc. Club Release/Transfer Request

Participant's Name: _____

Previous Season Club: _____

Desired Club for Transfer: _____

Certain individuals who participated in a Booster Club of TIFI the previous season or are registered with a Club for the current season qualify for transfer to another Club. To qualify for a release from the previous Club for the purpose of transferring to another Club, please indicate the applicable justification for this participant:

- A) Player relocation to a residence more convenient to another Club. Release will only be approved to a Club that practices greater than a five (5) mile radius from the practice site of the previous Club.
- B) Transfer from an existing TIFI team to a newly formed Booster Club shall be limited to the biological children and/or step children and/or children under guardianship of preceding season TIFI Booster Club board members and coaches with an approved application on file who are in good standing with TIFI. This rule does not apply for new Clubs where there is already an existing TIFI Club.
- C) On the morning of Conference equip. issue day, the previous Club has no open position on the roster and the child can't be placed.
- D) Transfer requests that are submitted as the result of undue family hardship, may be approved by a two-thirds majority of the Conference Executive Board of Directors. If the Conference Executive Board rejects the request, it can be referred to the Conference Board of Directors for a simple majority vote for approval.
- E) Waiting list players who play for another club may return to the original registered club with appropriate Intent to Return form.

By signing this form, I, the parent/legal guardian for the participant mentioned above hereby state this form is true to the best of my knowledge, and further I understand that by giving false information, the participant could lose eligible reserve status and the transfer request could be denied. If and when released from our TIFI Booster Club, we can, based on position availability, register with any TIFI Club of our choice. The only exception is when being released for the intent of registering with a newly formed Booster Club.
