Policy | Registration/Refund Policy

Approved | 11/09/17

Purpose | To ensure that every player in BYSC is given an equal amount of playing time and opportunity to perform.

Overview

Players who wish to be considered for a BYSC traveling team must register with the Club in advance of tryouts. No player will be allowed to participate in tryouts or practices until registration is complete and the registration fee paid. Registration forms are available online at www.bloomingtonunited.com. Registration is considered complete when the BYSC Registrar has received all registration materials and all applicable registration fees are paid. Leagues provide liability insurance coverage for a player only after the registration is complete. Any players who register after their age group player identification sessions are complete will be placed on a waiting list. Any player who participates in player identifications but is not selected for a team will also be placed on a waiting list. Only club staff can move players on the waiting list onto a team. If the Club cannot place a player on a traveling team, the full registration fee will be re-funded. If a player voluntarily withdraws from the Club, the registration fee may be refunded based on the date of the withdrawal relative to tryouts and team formation. A player who withdraws before their age group tryouts are completed will receive a refund less an administrative fee and any other costs already incurred by the Club. No refund will be given if a player withdraws after teams are formed. Registration Fee Process

At player identifications, all perspective players must complete registration form, produce Birth Certificate (new players only) and pay \$50 non-refundable administration fee prior to the first tryout. Upon completion of tryouts teams will be formed within 30 days providing adequate player numbers. If player number does not meet the minimum requirements for the age group time will be allowed for recruitment.

Team rosters will be posted on www.bloomingtonunited.com and all players placed on a team will have until the 10th of December to pay remaining registration fee or their placement will be lost.

Refund Policy

The \$50 tryout fee is non refundable under any circumstances.

Subsequent team fees are only refundable if:

A team is not available for player.

Medical conditions arise prior to submitting roster.

Other circumstances per board of directors approval.

Once roster is submitted to the league there will be no refund of registration fee.
