## Purpose |

## Overview |

UNITED will host player tryout sessions for players who will be playing on teams at the U12 and older age groups in late July each summer and for players U11 and younger around February 1 each year. Specific dates and times for each age group will be posted on the club's website ([www.bysc.org](http://www.bysc.org)) prior to the start of the summer traveling season for sessions that will determine the following years' rosters.

The managing director organizes player try-outs in conjunction with team coaches, boys and girls directors and the competitive committee. Team coaches and assessors with strong soccer backgrounds run the tryouts and evaluate the players.

### Some of the key factors considered in team selection include:

1. *Specific needs of the team*
2. *Player performance at tryouts*
3. *Past year player mid season and end of season review which include:*
  - a. *Tactical awareness*
  - b. *Psychological abilities*
  - c. *Physiological strengths*
  - d. *Attendance*
  - e. *Timeliness*
  - f. *Attitude*

Final decisions for team selection are presented to the UNITED Competitive Committee by the UNITED managing director and the rosters are approved by the Competitive Committee.
