
Since 1954, Nottingham Little League has been a vital part of the Hamilton community. Every Spring, Summer and Fall, the children come together for what they will someday realize are some of the best days of their lives. While other baseball programs have seen decreased numbers in registrations, Nottingham continues to grow, as we'll have almost 300 participants in our T-Ball, Instructional, Minors, Majors and Challenger divisions. Throughout the months of April and October each year, there will be thousands of people and hundreds of families coming through our facility for a game or tournament. Parents, family members or friends play a vital role in keeping the tradition alive of giving these children a safe and fun place to play baseball.

We would like to sincerely thank you in advance for your support of this event, whether through attendance at the event or as a sponsor. Nottingham Little League would not exist without the time, effort and support of the Nottingham community.

Nottingham Little League is a registered 501c(3) organization, as a chartered member of Little League Baseball, Inc., and is covered under Federal Group Tax Exemption number 3158 as described in the IRS code. All donations or sponsorships are tax deductible. A Letter of Determination is available upon request from Nottingham Little League. EIN 22-3011729
