

Dear Future Sponsor,

The League City Panthers and Lady Panthers are a non-profit organization with Texas Intercity Football Inc. (TIFI). Our group of volunteer board members and coaches proudly work hard to teach team work, respect, discipline, and self-confidence to over 200 football, cheer and drill participants. Additionally, we focus on good sportsmanship and the family aspect of youth sports, keeping a family friendly environment within all LC Panthers activities.

We would like to invite you to become an important part of our community through sponsorship. We offer a variety of sponsorships for you to choose from. Enclosed are our sponsorship packages for the 2019 season. Thank you for your generosity and support of our young athletes.

Sincerely,
Christian Dunn- President
