

The Little League® Challenger Program was founded in 1989 and is Little League's adaptive baseball program for individuals with physical and intellectual challenges.

Any individual with a physical or intellectual challenge may participate. The Challenger Division accommodates players ages 4-to-18, or up to age 22 if still enrolled in school.

The fundamental goal of the Challenger Division is to provide an opportunity for participants to learn and enjoy the game of baseball in an environment structured to their abilities.

We need sponsors to help make the Challenger Division successful and allow us to better serve our players and their families. Sponsor funds help provide much needed safety equipment, uniforms, bats, buddy gloves, etc. They also fund our beginning and end-of-season celebrations, player trophies, scholarships to offset costs for families in need, tournaments, etc.

Our ULTIMATE goal is to build our own adaptive, rubberized wheelchair/walker friendly baseball field in the center of Delaware District 3/Sussex County. **Please help us make this dream a reality!**
