The Annual Elks Soccer Shoot is for all boys and girls under the age of 14 and is an individual skills test for experienced and not so experienced youths. The Elks Soccer Shoot consists of age-appropriate goal-scoring challenges. High score winners will advance to the Elks District shoot, the PA State shoot and to a multi-state Regional shoot. Certificates are awarded to winners at each level of the contest.

This is one of the fastest growing events in the community. Parents do not need to be members of the Elks for their kids or grandchildren to participate. This is an Elks community service offered to capitalize on a sporting event to help keep our youth focused and away from undesirable activities.
